All Have Lost Aimee Alexander:

All We Have Lost Aimee Alexander, 2015-12-20 Kim Waters seems to have it all her own PR agency a loving husband and two adorable children Then Kim announces that she's fed up plugging Flush toilet cleaner and writing sparkling press releases for mediocre products she wants to write the great novel and spend more time with her young family She folds her business and settles down to a life of cosy domesticity If only it were that easy The great novel is in fact a great struggle Life as a domestic goddess has many hidden challenges And her relationship with her husband is rapidly losing equilibrium As the perfect life Kim has built for herself starts to crumble comes the revelation that will make her doubt everything she had taken for granted *Wicked Curve* John C. Skipper, 2014-11-26 When in 1911 Phillies pitcher Grover Cleveland Alexander set the National League record for wins by a rookie 28 it was a sign of things to come Alexander went on to win 373 games over his 20 year career the third highest total in major league history and he would lead the league in ERA four times shutouts seven times complete games six times and wins six times But he also became a deeply troubled man After the Shell Shocked pitcher returned from World War I he would battle alcoholism epilepsy and personal demons that damaged his reputation and proved disastrous for his life outside of baseball This biography sheds new light on the pitcher and the man focusing on Alexander's personal life especially his complex relationship with his wife Aimee as well as their marriages and divorces His Hall of Fame career wartime service and long decline are also documented *Beating the Breaks* Rick Swaine, 2015-01-24 Few baseball fans are aware of the number of players with disabilities who have succeeded in the majors Much of this unawareness is due to the affected players themselves who downplay weaknesses and tend to minimize their disabilities considering them just one of the chinks in the armor that everyone must deal with More than 20 players who have overcome their disabilities to have major league careers are profiled in this work The book is divided by type of disability suffered missing or partially missing limbs or extremities Jim Abbott Hugh One Arm Daily Pete Gray Monty Stratton Bert Shepard injured or diseased limbs Lou Brissie Whitey Kurowski Eddie Kazak Charley Gelbert Bo Jackson Dave Dravecky disfigured extremities Mordecai Three Finger Brown Charley Red Ruffing Hal Peck Carlos May Gil Coan Jim Mecir impaired organ function vision and hearing William Dummy Hoy George Specs Toporcer Chick Hafey Ron Santo Russ Christopher Joe Hoerner John Hiller Danny Thompson Walt Bond and neurological and psychological disorders Grover Cleveland Alexander Tony Lazzeri Jimmy Piersall Jim Eisenreich Nebraska History Addison Erwin Sheldon, James Lee Sellers, James C. Charlie Oughton, Patricia di Risio, Pieter Aquilia, Julie K Allen, Aimee Dixon Anthony, 2017-01-10 The first ever overview of women's contributions to the dawn of cinema looking at a variety of roles from writers and directors to film editors and critics Why have women such as Alice Guy Blache the creator of narrative cinema been written out of film history Why have so many women working behind the scenes in film been rendered invisible and silent for so long *Silent Women* pioneers of cinema explores the incredible contribution of women at the dawn of cinema when surprisingly more women were employed across the board in the film industry than they are now It also looks at how women helped to shape the content style of acting and development of the movie business in their roles as actors writers editors cinematographers directors and producers In addition we describe how women engaged with and influenced the development of cinema in their roles as audience critics fans reviewers journalists and the arbiters of morality in films And finally we ask when the current discrimination and male domination of the industry will give way to allow more women access to the top jobs In addition to its historical focus on women working in film during the silent film era the term silent also refers to the silencing and eradication of the enormous contribution that women have made to the development of the motion picture industry The surprise of the essays collected here is their sheer volume in every corner of a business apparently better able to accommodate female talent then than now Danny Leigh Financial Times July 2016 It's a fascinating

journey into the untold history of a largely lost era of film Greg Jameson Entertainment Focus March 2016 This book shows how women's voices were heard and helped create the golden age of silent cinema how those voices were almost eradicated by the male dominated film industry and perhaps points the way to an all inclusive future for global cinema Paul Duncan Film Historian Inspirational and informative Silent Women will challenge many people's ideas about the beginnings of film history This fascinating book roams widely across the era and the diverse achievements and voices of women in the film industry These are the stories of pioneers trailblazers and collaborators hugely enjoyable to read and vitally important to publish Pamela Hutchinson Silent London Every page begs the question how on earth did these amazing women vanish from history in the first place I defy anyone interested in cinema history not to find this valuable compendium a must read It's also a call to arms for more research into women's contribution and an affirmation of just how rewarding the detective work can be Laraine Porter Co Artistic Director of British Silent Film Festival An authoritative and illuminating work it also lends a pervasive voice to the argument that discrimination and not talent is the barrier to so few women occupying the most prominent roles within the industry Jason Wood Author and Visiting Professor at MMU I was amazed to discover just how crucially they were involved from not just in front of the camera but in producing directing editing and much much more An essential read Neil McGlone The Criterion Collection *Black Southerners and the Law, 1865-1900* Donald G.
