Infertility through the eyes of a fertility specialist** Dr.Nikita Naredi,2024-03-18 Your womb is of no use If you don t get pregnant in the next six months I will get my son married again We cannot wait any longer Nikita Naredi s memoir unravels the gory reality of being a woman without a child in a boy harping society For a fertility expert like Naredi treating infertility does not just involve taking care of dysfunctional people s reproductive anatomies pumping injections and hormones into the patient or fusing gametes in the lab but a complex m lange of uncomfortable conversations and altered relationships with partners and families It questions one s faith and belief system Experience this turbulent interplay of biology emotions and societal expectations through this book For a woman made to believe that

motherhood alone defines her womanhood childlessness is a shackle no woman wants Through her experiences Nikita has attempted to provide an honest glimpse into the lives of sub fertile couples often riddled with self doubt low self esteem torment travails and tribulations In this ode to her patients Nikita has also laid bare her own agitation when a woman is exploited despair when her best efforts to help them conceive fail victory and joy when the woman conceives and overall anguish at the social fabric that ignores the predicament of childless women **Eve's Weekly** ,1980 COIMBATORE Lion Dr Er J Shivakumaar, Editor,2018-04-04 Coimbatore is the second Largest Industrial City in Tamilnadu India After the introduction of Cell Phones and Development of Mobile Technology every one used to have a Phone or Mobile To help to communicate among themselves this CELFON5G Directory Services are introduced Every Firm or Person owning a Mobile Phone or Fixed Phone is listed in this CELFON Directories The Listing gives all 5 communication addresses like 1 Fixed Phone Number 2 Mobile Phone Number 3 FAX 4 Email Address 5 Web Site etc in addition to Postal Address CELFON Directories are available in 5 Generations 5G of Media namely 1 Print Edition 2 Digital Edition for viewing in Mobile Phones 3 Searchable Mobile Apps 4 Web 5 CD etc Considering the Lakhs of Users in Coimbatore a single volume of Directory is difficult to handle So the users are published in 10 Volumes namely on SIDCO Town Hall Gandhipuram R S Puram Thudialur Ganapathy Saibaba Colony Singanallur Peelamedu Vadavalli etc All these Volumes are Printed and Published as per a Time Plan at regular intervals around the year Digital Editions are available for each Print Edition This Digital Edition is containing all volumes as and when published The first among the Series is on COIMBATORE SIDCO Industrial Area Then followed by COIMBATORE TOWN HALL and COIMBATORE GANDHIPURAM This Volume contain all the above as on January 2018 At the time of creation this Digital Edition is a replica of Print Edition Later on Contents of this Digital Edition are updated every month with new users This COIMBATORE CELFON Directory is a single Volume containing all the Directories Published individually for above areas Seperate volumes are also available in Play Books Updated every Wednesday of the week containing informations received upto the previous early saturday Recently updated on 4 4 2018 *Women's Issues* Lakshmi Misra,1992 Deals with different aspects of Women s issues viz women in family and Society access of girls and women to education impact of science and technology on women women and politics image and role of women in Hindi drama and theatre women s development role of media women and work and her identity role of voluntary organisations on women s development national women s information centre and the programmes of Government of India for women s development Since the development and education of women has become a growing concern of the present day society and Government it is in the fitness of things that women themselves should present their own assessment of the current status of women and point out the maladies Indira Files: A Critical Look At The Controversial Side of Indira Gandhi Vishnu Sharma,2023-12-21 Analyze the controversial side of Indira Gandhi s political legacy with Indira Files offering a critical examination of her leadership and policies I have always felt that Indira Gandhi is the exceptional and foremost example of

the dynastic politics of independent India She is a perfect example of dynastic rule on one hand she is called the Iron Lady on the other hand people pay tribute to her dictatorship for imposing emergency in the country Where on one hand Indira Gandhi carved her name in golden letters in Indian history by dividing Pakistan into two on the contrary she has also endured the slogans like Sanjay ki mummy badi nikammi for blindly loving her son like Gandhari loved Duryodhana Nonetheless we cannot forget that it was Indira Gandhi who gave wings to India s strength and courage by conducting the Nuclear Test however she was also the Prime Minister for whom the High Court issued orders to be removed from her office In fact Indira Gandhi is merely a symbol of dynasty politics The point here is to remind the young people that they cannot strive for ideal politics by idolising those who have flourished through family inheritance of post or position In today s scenario there are numerous political parties that operate under a single family s control Although I hold great admiration for Indira Gandhi however her darker side is perhaps more prominent Hence I believe that young aspirants who are interested in politics can learn valuable lessons from this book on what not to do
