Music, Sound, and Documentary Film in the Global South Christopher L. Ballengee, 2022-11-01 Music Sound and Documentary Film in the Global South edited by Christopher L Ballengee represents an important step toward thinking about the production and analysis of the soundscapes of documentary film all while exploring a range of social cultural technological and theoretical questions relevant to current trends in Global South studies Written by a diverse set of authors including filmmakers academics and cultural critics the ten essays in this book provide fresh evaluations of the place of music and sound in documentary films outside the European American milieu On the whole the authors illuminate how the invention of documentary film was at first a product of the colonialist project Yet over time access to filmmaking technologies led to the creation of documentary films relevant for local communities and national identities In this sense documentary film in the Global South might be broadly defined as a mode of personally or politically mediated storytelling that by one route or another has become a useful and recognizable means of memorializing traumatic histories and critiquing everyday lived experience As the essays in this volume attest close readings of documentary soundscapes provide fresh perspectives on ways of hearing and ways of being heard in the Global South *The Ethnomusicologists' Cookbook* Sean

Williams, 2013-10-31 Named one of New York Times Top 20 Cookbooks of 2006 Have you ever wanted to host a full evening of Indian food culture and music How about preparing a traditional Balinese banquet Or take a trip to Cairo and enjoy an Egyptian feast The Ethnomusicologists Cookbook takes you around the world on a culinary journey that is also a cultural and social odyssey Many cookbooks offer a snapshot of individual recipes from different parts of the world but do nothing to tell the reader how different foods are presented together or how to relate these foods to other cultural practices For years ethnomusicologists have visited the four corners of the earth to collect the music and culture of native peoples from Africa to the Azores from Zanzibar to New Zealand Along the way they've observed how music is an integral part of social interaction particularly when it's time for a lavish banquet or celebration Foodways and cultural expression are not separate this book emphasizes this connection through offering over thirty five complete meals from appetizers to entrees to side dishes to desserts and drinks A list of recommended CDs fills out the culinary experience along with hints on how to present each dish and to organize the overall meal The Ethnomusicologists Cookbook combines scholarship with a unique and fun approach to the study of the world's foods musics and cultures More than just a cookbook it is an excellent companion for anyone embarking on a cultural culinary journey
