All About Her Thighs:

Heaven Between Her Thighs 2 Denora Boone, 2016-07-06 Chey can't believe this is her life. Everything she fought so hard for in her relationship seemed to come to a crashing halt once the revelations of Qyree's family were out in the open. From his mother dropping the news that she was HIV positive to Jaxon removing Qy from the family business, all Chey wanted to do was be there for her man. But the secret that she was now hiding could very well cause even more damage and possibly be the end of her happily ever after. Just when he thought God was giving him a chance to become a better man, Qyree is hit with news that rocks his world to the core and causing him to let go of the one thing that was keeping him sane. Chey, Qyree knew that the way he had reacted towards the only person who had his heart in their hands wasn't right, but he didn't know of any other way to deal with it except the way his father had taught him: Protect himself and just let everyone else figure it out on their own. It wasn't right, but what could he do? It isn't until his mother falls ill and even more secrets are out that cause him to really take a look at the man that he saw in the mirror. Would these new twists cause him to finally stand up and be a man or had Jaxon tainted him for life? Von is finally in a place of happiness. She has her son back, her own place, and the demons from her past have been dealt with, so what else could a woman want? Love. That aching in her heart to have someone to spend the rest of her life with and love her unconditionally wasn't possible in her condition. So instead of sitting around and sulking, she decided that she would do what she could to mend the relationship between Qyree and Chey. She just hoped that once Qy found out about her secret, it brought them closer instead of further apart. Channing Tank Reeves is the epitome of a ladies man. Recently discharged from the military, he's back home to help his cousin start the business they had both dreamed of since they were little boys. Working so closely with Qy, it was only a matter of time before he would run into the pretty young thing, Von. As soon as he set eyes on her, he knew that she was the one, and because of her honesty, he was drawn to her even more. But what will happen once his secrets are out in the open? Would she still look at him the same? The Bible says that life and death are in the power of the tongue, but the same thing can be said about the heaven between a woman's thighs. A woman can give life from her sacred place, but if you're not careful, it can also be the death of you. **"The Assommoir"**

Émile Zola, 1894 **Oral Patterns of Performance** Barre Toelken, 2015-02-15 To many Native American cultures, songs and stories are dramatic enactments of reality, and words bring reality into existence. In this chapter from his award-winning book *The Anguish of Snails*, Toelken thoughtfully approaches a number of stories from Native American traditions, discussing how narratives can be touchstones of shared values among closely associated traditional people and how songs and stories go far beyond an evening's entertainment or lessons about life. A traditional narrative can be a culturally structured way of thinking and of experiencing the patterns that make culture real. *Lawrence Zarian's Ten Commandments for a Perfect Wardrobe* Lawrence Zarian, 2014-02-25 Lawrence Zarian's *10 Commandments for a Perfect Wardrobe* is an informative and entertaining step-by-step guide to looking and feeling your best.
