Behold I Do A New Thing Transforming Communities Of Faith:

Behold I Do a New Thing C. Kirk Hadaway, 2001 Recent talk and thinking about congregations concentrate on the fact that church attendance is on the decline Book after book discusses methods of getting more people to attend worship services But author Kirk Hadaway thinks an important part of the conversation is missing how can churches in spite of the decline remain engaged in the mission of transforming lives Behold I Do a New Thing does not offer easy solutions but encourages readers to rethink the elements of church communities including worship and leader models Looking at churches in new ways and holding new expectations will allow church leadership to guide congregations in the journey where transformation and renewal is constant and embraced This is an invaluable book for pastors and lay leaders **The Calling**

of Congregational Leadership Larry L. McSwain, 2013-05-30 Leading is a calling from God but that doesn't mean it is easy There are choices to be made about what your congregation believes how your church organizes for effective ministry and how your church serves the settings of which you are a part The good news is that others have gone before you Author Larry L. McSwain's forty years of experience can help guide you through these choices Rooted in research The Calling of Congregational Leadership teaches a three pronged approach to congregational leadership being a good leader the knowledge needed by the leader and the managing of ministry leadership By using this practical holistic approach to leading congregations McSwain shows you how to use your church's potential for conveying the power of God in the lives you touch The Calling of Congregational Leadership is for those who seek to enlarge the understanding of their leadership to make their communities of faith more vital and more reflective of the mission of God in the world *52 Ways to Ignite Your*

Haselmayer, 2003 A playful witty but substantive postmodern ministry for dummies type book that fills the huge and getting huger hunger for something in one volume that introduces basic concepts and vernacular of postmodern ministry

Healing the Divide, Tenth Anniversary Edition Amos Smith, 2024-05-17 Healing the Divide is a bold call to understand Jesus according to the earliest lineage of Christian Mystics a call to transform our dualistic minds and heal a divided church This book is a must read if you find yourself frustrated by the fundamentalist and new age polarization of twenty first century Christianity bewildered by religious pluralism or searching for Christianity's elusive mystic core

Unfettered Spirit Robert D Cornwall, 2021-07-19 2nd Expanded Edition All too frequently studies of the gifts of the

Spirit consist largely of answering two questions What are the gifts and Which ones do I have In many cases studies go on to a third question How can I get more In response institutional churches and theologically and intellectually respectable Christians often tend to avoid the work of the Holy Spirit in the church entirely It s much easier to simply close the doors and windows than it is to deal with the wind John 3 8 After all they ve seen the wind blow out the candles disarrange the altar vestments and send a chill through the congregants Author pastor and church historian Bob Cornwall has experienced all of this for himself He has seen traditional churches and worship He has seen Pentecostal worship He has led congregations in difficult times For more than 30 years he has studied practiced prayed and lived the work of the Holy Spirit in the church The result is *Unfettered Spirit Spiritual Gifts for the New Great Awakening* Here he avoids both the errors of replacing the freedom of the Spirit with human whim and of trying to tame or confine the Spirit that will not be fettered He asks Do you truly believe that God is present in the world And do you believe that God is working through us to break down the walls that divide us from God from each other and from the world And if you do do you believe that you have been gifted and empowered to participate in this ministry that takes down the walls of egoism suspicion greed self interest and hatred If you can say yes to these questions jump right in This is the book for you If you are hesitant or if the idea of the Holy Spirit working unfettered in your congregation and community frightens you read the first four chapters carefully as Bob lays the theological foundation You may find your maybe or even your no turned into a yes Building on this foundation Bob continues with five chapters on the gifts of the Spirit as described in Scripture These are practical discussions that will let you keep your bearings in discussions of the Spirit and more importantly in a community where the Spirit is active Finally he concludes with a discussion of how to lead and pastor a church where the gifts of the Spirit are active Whether you are a Pentecostal an evangelical a mainliner a progressive or any other label you might find for yourself or your church you will profit from reading this book

Completing the Circle David R. McMahon, 2003-01-01 On his second day as association minister for the United Church of Christ David McMahon received three phone calls from lay leaders who were looking for resources on how to evaluate our minister He knew of several churches in which a poorly constructed process for evaluating the ministers had spun out of control however and had gradually come to believe it is probably better for a church not to attempt an evaluation process at all than to do one carelessly or to naively use a design intended for a secular organization Based on the needs he saw McMahon began to work with numerous congregations looking for ways to review both leaders and ministries and developed the feedback reflection process he lays out in this book Based on sound principles of effective communication this simple system of asking for descriptive feedback about various aspects of a congregation s life together takes into account the specific setting and the unique relationship between minister and congregation *Liberating Hope!:* Michael Piazza, Cameron Trimble, 2011-06-14 Accurate and strategic evidence that the decline of the mainline progressive church can be slowed and even reversed despite the challenges it is facing *Preaching Master Class* Will

Willimon, 2010-03-26 Preachers around the globe have come to rely on Will Willimon for insight and advice on the craft of preaching. For over a decade Willimon has published his reflections in the Five Minute Preaching Workshop, a quarterly column he writes as editor of Pulpit Resource. Here the best selections from that column have been brought together into a single volume for the first time. Drawing on years of experience, study, and careful observation of the current state of preaching, Willimon offers candid thoughts on a wide range of homiletical issues from theological to pastoral, cultural, and stylistic. Readers will find challenge and inspiration from a few hours spent in the studio of this master preacher. *Piloting Church*

Cameron Trimble, 2019-03-19 Using piloting as an engaging framework for organizational transformation, Trimble addresses the process of planning, executing, and completing a church revitalization project in 10 easy-to-read chapters: Decide You Want to Fly, What Kind of Pilot Will You Be, The Fundamentals of Flight, Your Flight Crew, Charting Your Course, Preflight Checklist, Funding Your Flying Habit, Managing Comms, Mayday Moments, Making a Successful Landing. Trimble is the executive director and CEO of the Center for Progressive Renewal (CPR) and has years of experience helping to start new congregations and revitalize older congregations. *Piloting Church* reflects her learnings as a congregational consultant and national faith leader. Having worked with twelve denominational partners and their congregations, she believes the Church's best days are ahead.
