Why I Love Being In Love With Myself Bridgette Gajadhar, 2025-03-22 Most people talk about self love but very few truly live it Why I Love Being in Love With Myself is more than a self care book it s a movement a cultural reset and a wake up call for anyone who s ever poured into everyone else and forgotten to pour back into themselves This book doesn t preach perfection or pretend positivity It s raw funny and real It reminds you that loving yourself isn t a trend it s survival power and freedom rolled into one Whether you ve been through heartbreak burnout or just the quiet ache of feeling unseen this book helps you come home to yourself It s for the people who give everything and feel empty after The ones who smile through stress and pretend they re fine The ones who chase validation love and peace in all the wrong places and finally realize the only lasting version of those things starts within Through 345 pages of truth humor and heart Why I Love Being in Love With Myself teaches you how to rebuild your relationship with you from the inside out Inside you ll find Straightforward no fluff insights that cut through the noise and show what self love really looks like in daily life Reflection exercises and journal prompts to help you rediscover your worth Affirmations and mantras that rewire your inner dialogue and boost your confidence A complete Self Love Reset Plan that takes you from awareness to action Humor and attitude woven into deep emotional truths so you grow while feeling seen and entertained Every chapter feels like talking to your boldest most supportive friend the one who tells you the truth with love pushes you to do better and reminds you you re already enough What s Inside 345 pages 29 chapters packed with real talk exercises and empowering reflections Chapters include Loving Your Mind Body and Soul The Power of Your Words Speaking Love Into Yourself Main Character Energy Owning Your Worth Red Flags vs Green Flags Know the Difference Protect Your Peace Unsubscribe from the BS and The Art of Not Giving a Fck Freeing Yourself from External Validation Actionable tools that make self love a lifestyle not a luxury 4 extra exercises at the end to help you integrate what you ve learned You ll laugh reflect and probably cry but most importantly you ll remember who you are You ll stop apologizing for existing stop shrinking for approval and start walking like someone who knows their value Because when you fall in love with yourself you set the standard You attract peace instead of chaos clarity instead of confusion and alignment instead of attachment This book is for every person ready to be done with chasing comparing or settling for anyone tired of dimming their light to fit into rooms that don t deserve it Whether you re a professional building confidence in your career or an everyday person trying to rebuild after life knocked you down this book gives you permission to shine again Why Readers Love It Raw funny and so real it feels like a conversation with your most supportive friend This book didn t just inspire me It helped me remember myself Stop waiting for validation Start living in alignment Why I Love Being in Love With Myself is everything you didn t know you were missing the roadmap back to your power peace and unshakable self worth *Being Love* Sister Shivani, Suresh Oberoi, 2019 We can each radiate unconditional love We don t even need to create it we are love But the flow of love is blocked in moments of hurt blame anger criticism competition or

insecurity These emotions have dominated our emotional space and hardly enable us to feel our own love So today we rely on someone else to love us This book teaches us to think right enable self love feel it and extend it to other people The central message here is that love is not out there but within us A spectrum of emotions like attachment expectations hurt worry stress fear or anger which we use in the pretext of love are analysed The conversations also explore the fact that the parent child relationship is not challenging It does not need to be As you free yourself from judgments and expectations as you start thinking right for people and as you accept people for who they are you become a Radiator of unconditional love You are one decision away from vibrating at a frequency of love by not needing love or giving love but just by being love

Works of Love Robert L. Perkins,1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotoma s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded

The End of Divine Truthiness: Love, Power, and God Paul Joseph Greene,2017-08-01 In The End of Divine Truthiness Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr s pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert s word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is

love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene s call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love Wisdom of the Masters Carol Sydney,2001-10 Enter the World of The Ascended Masters Join Carol Sydney as she explores the world of the other side A world of spirit guides ascended masters archangels and love Feel the power of this world come close to you as you read of Carol s experiences with clients audiences and see how she came to be the renowned channel she is today Learn to connect with the masters and angels in this book as you understand who they are and what their energy feels like Find out how to relax into your own path and find the peace and healing that is spoken of in these pages It is a journey worth taking and once begun you will return to your old life forever changed There is a miraculous world about to unfold for you as Carol describes profound beings full of love and inspiration Meet for yourself these amazing masters and angels of the ascended realm Inside you will read about How the power of love crosses the veil of life and death Stories of clients receiving guidance that changes their lives The new world of peace and joy that is right next to you How the action of one person can make a difference in the world Archangels and masters your guides in spirit who want to meet you The world of spirit how to connect with it and feel the power of love flowing into your own heart Good Vs. Evil . . . Overcoming Degradation Through the Love and Brilliance of God Jerry Davis,2010-12-27 The truth is we are all just a little bit crazy in some areas of our life to a whole lot of crazy Being miss directed is one of the things mankind has in common as the various forms of insanity work the same way in every one of us Weve all been programmed to unknowingly believe in a host of lies and its our belief in the need to uphold the lies that do us in There are laws that pertain to the universe These laws cannot be broken without creating diverse consequences With every action there is an opposite reaction of effect And where do the decisions we make come from They generally come from our minds The question then becomes Whos controlling the mind If your mind is at work and in agreement with you then you would rightly say you are controlling your mind But if you occasionally find that your mind is working against you then you should consider you are not solely in control Jesus referred to Satan as the father of lies I intend to show how the workings of evil are constructed through the placement of lies and how these lies in combination are at work to disrupt our lives I will show how the longest and greatest lie is packaged and how the six major steps that makes up a combined package works powerfully against you Then I will show how the effects from the lies get all mixed in with the pain you experience and how the end results can be devastating This book is about our need for revelation and offers the reader an opportunity to begin a personal journey with life as it truly is This is a lifelong journey in Spirit and truth and it begins with your full recognition of the need for having God working continuously in your life Love and Organization Michael Pirson,2022-06-30 Organizations are not human but they are made up of people Examining the organization

functioning growing and developing and moving together as one unit the well being and success of that organization depends on the well being of people that make it up Love in its various forms is the energy that motivates and fuels creativity care innovation progress and well being Traditionally organizational structures have been set up to support compliance and command and control which often discourages love and creates policies against love at the workplace The result has been reduced growth productivity and retention of businesses as well as reduced well being for employees This reduced connectivity between individuals has also at a higher level adversely affected society Without love people are working and performing with reduced energy and at reduced capacity While prior research has been focused on love at the workplace from the viewpoint of psychologists this book explores the impact of love within organizational contexts from various viewpoints including management psychology and philosophy It explores love in the organizational context by looking at how it affects meaning purpose well being motivation faith care spiritual development and how the identity and well being of each person in the organization positively affects retention and the growth and success of that organization It will be of interest to researchers academics and advanced students in the fields of organizational studies leadership and management
