In this empowering and accessible collection of health and wellness advice, the co-founders of mindbodygreen challenge our definition of self-improvement by revealing what a healthy lifestyle looks like at the fundamental level and how it's not what we think. On your journey toward a more health-conscious life, you've likely been bombarded by an overwhelming amount of information from the Kardashian-like wellness influencers who unrealistically insist upon sustainably sourced Epsom salt baths every night to the elite longevity optimizers who measure their lactate levels after a workout. The echo chamber of the internet and social media algorithms that favor polarizing opinions to drive views and engagement have hijacked our understanding of health. No matter which corner of the wellness world you inhabit, our social feeds are filled with advice that presumes we all have the same amount of time, money, and resources. In this saturated landscape, how can you avoid the potential scams and dodge the doctors-turned-celebrities to find what really works for you? Over the past decade, Colleen and Jason Wachob, co-founders of mindbodygreen, have cultivated a leading wellness lifestyle media brand for everyone seeking to cut through this noise and live a happier, healthier, and greener lifestyle. *The Joy of Well-Being* is a distillation of almost fifteen years of this experience on the forefront of the well-being conversation; they've done the legwork so you don't have to.
