SECOND EDITION

Linda Berg-Cross, PhD

Basic Concepts In Family Therapy An Introductory Text

David K Carson, Kent Becker

Basic Concepts In Family Therapy An Introductory Text:

Basic Concepts in Family Therapy Linda Berg-Cross, 2000 This new edition of Basic Concepts in Family Therapy features current research and added materials in each chapter For family therapists and students especially those challenged by child or adolescent problems in the family context this intelligent guide will assist you in handling specialized situations through newly added chapters on resiliency and poverty adoption chronic illness spirituality and religion and parenting strategies Basic Concepts in Family Therapy will help you bridge theories and techniques with problems you see everyday in society to offer improved and relevant services to clients Basic Concepts in Family Therapy Linda Berg Cross, 2014-02-25 Gain confidence and creativity in your family therapy interventions with new up to date research Basic Concepts in Family Therapy An Introductory Text Second Edition presents twenty two basic psychological concepts that therapists may use to understand clients and provide successful services to them Each chapter focuses on a single concept using material from family therapy literature basic psychological and clinical research studies and cross cultural research studies Basic Concepts in Family Therapy is particularly useful to therapists working in a family context with child or adolescent referred problems and for students and clinicians treating the problems they see every day in their community The book builds on the strengths of the first edition incorporating ideas and articles that have become worthy of investigating since 1990 into the original text This new edition also introduces five new chapters on resiliency and poverty adoption chronic illness spirituality and religion and parenting strategies The new chapters make the book far more relevant for students and clinicians trying to use family theory and technique in response to the problems they see in their communities Basic Concepts in Family Therapy will assist you in offering clients better services by providing a deeper understanding of the contemporary family in its various forms the psychological bonds that shape all families and the developmental stages of the family life cycle This exploration of how family demography stages and life cycles affect family functions is a solid foundation from which all of the therapeutic concepts in this book can be explored Some of the facets of family therapy you will explore in Basic Concepts in Family Therapy are the importance of spirituality and religion in family therapy generational boundaries closeness and role behaviors managing a family's emotions defining problems and generating and evaluating possible solutions teaching children specific attitudes values social skills and norms transracial adoptions and normative processes and developmental issues of adoptive parents strategies for reducing conflict and much more Basic Concepts in Family Therapy will help to broaden your understanding of the ways families function in general You can use the effective concepts explored in this text to make a thorough assessment of the impact of a disorder on a child and on the rest of his or her family as well as how family dynamics might have shaped or exacerbated the problems The concepts described in this text can be customized to clients cultural values to avoid unnecessary resistance As a new therapist you will gain confidence in your assessments and if you are already a seasoned professional you will gain creativity in your interventions **Families & Change** Sharon J.

Price,Christine A. Price,Patrick C. McKenry,2010 Change is an integral part of any family s day to day experience Problems crises transitions and change all affect the family as our society progresses into a more complicated future Researchers and practitioners grapple with such complex issues as divorce violence and changing family structures each day and require suggestions and solutions to tough situations associated with families and change This book integrates scholarship from a variety of disciplines to address the most common problems faced by contemporary families This new edition includes a chapter on LGBT families and covers military families In addition It also has a new student study site and faculty resources

Families Under Fire R. Blaine Everson,Charles R. Figley,2011-01-07 As provider networks on military bases are overwhelmed with new cases civilian clinicians are increasingly likely to treat military families However these clinicians do not receive the same military mental healthcare training as providers on military installations adding strain to clinicians workloads and creating gaps in levels of treatment Families Under Fire fills these gaps with real world examples clear concise prose and nuts and bolts approaches for working with military families utilizing a systems based practice that is effective regardless of branch of service or the practitioner s therapeutic preference Any civilian mental health practitioner who wants to understand the diverse needs of military personnel their spouses and their families will rely on this indispensable guidebook for years to come

Creativity in Psychotherapy David K Carson,Kent Becker,2014-04-23 Examine the dynamic role of creativity in therapy Creativity in Psychotherapy Reaching New Heights with Individuals Couples and Families examines the nature role and importance of creative thinking in counseling and therapy Authors David K Carson and Kent W Becker combine extensive backgrounds in marriage and family therapy and counseling to give you a unique resource that fills a crucial gap in the therapy literature The book explores various aspects of creative thinking personal characteristics of highly creative therapists creative techniques and interventions barriers to creative work and creativity development Not designed as a cookbook for conducting therapy Creativity in Psychotherapy features practical techniques and interventions for conducting therapy with children adults couples and families Creativity in Psychotherapy Reaching New Heights with Individuals Couples and Families is a much needed response to the need for a pragmatic approach that makes sense using methods techniques and applications based in respected established theoretical principles and empirical research The book establishes a mind set the therapist can use to work with clients in discovering creative solutions instead of viewing creative interventions as a grab bag of techniques Creativity in Psychotherapy includes a look at the various dimensions of creativity in counseling and psychotherapy an overview of the relationship between creativity and healthy functioning an examination of the connection between creativity and dysfunction a review of the role of creativity in supervision a survey of 142 therapists in the United States on the use of creativity in their practices in depth discussions practical examples and illustrations Creative Incubation and Break Out of The Box exercises in each chapter Creativity in Psychotherapy Reaching New Heights with Individuals Couples and Families is well suited for use as a primary or

supplemental textbook for graduate and undergraduate courses in marriage and family therapy psychotherapy and counseling and can easily be adapted for use in social work counselor education and clinical psychology courses The book is an essential read for practicing psychotherapists family therapists counselors social workers psychologists and other human service professionals *Social Issues Surrounding Harassment and Assault: Breakthroughs in Research and Practice* Management Association, Information Resources, 2018-09-07 Violent behavior is an unavoidable aspect of human nature and as such it has become deeply integrated into modern society Examining violence through a critical academic and social perspective can lead to a better understanding of its foundations and implications Social Issues Surrounding Harassment and Assault Breakthroughs in Research and Practice explores the social and cultural influences of harassment and assault on human life and activity Highlighting a range of pertinent topics such as child abuse and neglect support services and sexual harassment this book is an ideal reference source for clinicians sociologists practitioners researchers and graduate level students interested in all aspects of social issues related to harassment and assault

Parents and Families of Students With Special Needs Vicki A. McGinley, Melina Alexander, 2017-01-05 Parents and Families of Students With Special Needs Collaborating Across the Age Span teaches students the skills they need to effectively collaborate with parents and families to ensure a child's success in the classroom Authors Vicki A McGinley and Melina Alexander's text takes a lifespan approach with a special emphasis on the critical transition points in a child's life Information is provided on what can be seen at each stage of an individual with disabilities development and addresses concerns and needs that families may have during these unique phases of growth Chapters written by professors and professionals who are also parents of students with special needs bring a diverse range of voices into the narrative The authors provide an in depth discussion of how parents and families are affected by particular disabilities family system theory the laws that affect individuals with disabilities and assessments for individuals with disabilities

The Psychological Autopsy Antoon Leenaars, 2017-02-10 This remarkable book affords the opportunity to delve into the challenges that the forensic mental health specialist and public safety professional confront in death scene investigations

Applied Sport Psychology Brian Hemmings, Tim Holder, 2009-08-10 Taking a refreshingly different approach to the subject this new textbook uses original case studies of psychological support work with individual athletes and groups to illustrate the underlying theory and inform the reader of cutting edge practice in the field It addresses real world issues and helps the student understand the problems and challenges that the sport psychologist faces and is employed to resolve The book begins by exploring the use of case studies as a professional method for disseminating applied knowledge and practice in sport psychology The remaining chapters constitute the core of the book the case studies themselves Each case study demonstrates scientific rigour in reporting the background information initial assessment intervention and monitoring evaluation of the intervention and also considers consultant effectiveness through reflective practice The chapters also contain summaries and an accompanying set of questions for students Written by a team

of experienced practitioners this book shows how sport psychology actually works in practice As such it will prove invaluable to students of sport psychology in both sport and exercise science and psychology programmes It will also be an extremely useful resource for coaches and sports professionals undergoing training in sport psychology Social Justice and Parent Partnerships in Multicultural Education Contexts Norris, Katherine E.L., Collier, Shartriya, 2018-02-09 This title is an IGI Global Core Reference for 2019 as it provides essential research on cooperation between parents and school personnel Containing scholarly work from researchers across the U S this publication has been recognized by Scopus for its comprehensive coverage on cultural responsive practices socioeconomic barriers to student success and more Social Justice and Parent Partnerships in Multicultural Education Contexts is a critical scholarly resource that explores the importance of cooperation between parents teachers and administrators to create valuable support systems that will promote student success through strategies using social justice Featuring coverage on a wide range of topics such as parent collaboration bilingualism and community based partnerships this book is geared toward academicians researchers and teachers seeking current research on the importance of cooperation between parents and education professionals in encouraging positive student outcomes in multicultural learning environments
