Between Two Fires The Untold Story Of Palestinian Christians:

Between Two Fires Ron Brackin, Jack Kincaid, 2011-05-16 Spend a week with the world's most marginalized Christians Palestinian evangelical Christians the minority of minorities Arab men women and families who pay the highest price for their faith Suspected of being Israeli collaborators by their neighbors because they take no part in resistance against Israel Despised by the historical church because they are evangelical Distrusted by Israelis because they are Palestinian And ignored by Western Christians because well all Palestinians are terrorists aren't they *The Untold Story of Palestinian Christians* Jack Kincaid, 2002 **Arab Evangelicals in Israel** Azar Ajaj, Duane Alexander Miller, Philip Sumpter, 2016-07-11 The essays contained in this book provide an introduction to the history challenges and hopes of contemporary evangelical Arab Christians in Israel and to a lesser degree in the West Bank After opening with a general overview of Arab Christianity in the Holy Land the following chapters treat different aspects of the evangelical Arab experience the founding of the Convention of Evangelical Churches in Israel CECI as well as a theological seminary for the training of church workers Nazareth Evangelical Theological Seminary NETS the self understanding of Arab Baptists in terms of their identity and relation to other groups in Israel an Arab perspective on the relationship between Arab evangelicals and Messianic Jews as well as the struggles hopes and fears of another evangelical community that is usually hidden from view namely that of Muslim converts to Christianity in Israel the West Bank and the Middle East in general The final chapter offers a detailed bibliography on Arabophone Christianity in Israel and Palestine *The Message of the Word of God* Tim Meadowcroft, 2011-11-14 What does the Bible say about itself Before this question can be addressed Tim Meadowcroft argues we have to address the wider notion that God speaks Accordingly Meadowcroft offers fresh wide ranging expositions of key passages in both Testaments on the character and power of God's word *Charisma and Christian Life*, 2004

Triadic Coercion Wendy Pearlman, Boaz Atzili, 2018-10-16 In the post Cold War era states increasingly find themselves in conflicts with nonstate actors Finding it difficult to fight these opponents directly many governments instead target states that harbor or aid nonstate actors using threats and punishment to coerce host states into stopping those groups Wendy Pearlman and Boaz Atzili investigate this strategy which they term triadic coercion They explain why states pursue triadic coercion evaluate the conditions under which it succeeds and demonstrate their arguments across seventy years of Israeli

history This rich analysis of the Arab Israeli conflict supplemented with insights from India and Turkey yields surprising findings Traditional discussions of interstate conflict assume that the greater a state's power compared to its opponent the more successful its coercion Turning that logic on its head Pearlman and Atzili show that this strategy can be more effective against a strong host state than a weak one because host regimes need internal cohesion and institutional capacity to move against nonstate actors If triadic coercion is thus likely to fail against weak regimes why do states nevertheless employ it against them Pearlman and Atzili's investigation of Israeli decision making points to the role of strategic culture A state's system of beliefs values and institutionalized practices can encourage coercion as a necessary response even when that policy is prone to backfire A significant contribution to scholarship on deterrence asymmetric conflict and strategic culture Triadic Coercion illuminates an evolving feature of the international security landscape and interrogates assumptions that distort strategic thinking
