Skullface Horrified Press,2014-04-30 Halloween is a mere nine days away when Skullface wakes in his unmarked grave He forces his way out and begins to question why he was there who he is what did he do to be buried in such a place The Isle of Wight is a reasonably large place there are many secluded corners which is just as well Skullface needs them to kill to drink the blood and eat the flesh to survive He justifies this by argument the two sides of his mind are in constant battle As Halloween draws closer so Skullface s memories become clearer and he gets ever closer to remembering the reason for his death his dysfunctional family and very strange life He backs off from it many times but knows that if he is to permanently die which is what he wants he has to confront his past When Halloween finally arrives he makes the last walk to his home
