## **Beyond The Farm National Ambitions In Rural New England Early American Studies:**

**Beyond the Farm** J. M. Opal, 2013-04-19 During the first half century of American independence a fundamental change in the meaning and morality of ambition emerged in American culture Long stigmatized as a dangerous passion that led people to pursue fame at the expense of duty ambition also raised concerns among American Revolutionaries who espoused self sacrifice After the ratification of the U S Constitution and the creation of the federal republic in 1789 however a new ethos of nation making took hold in which ambition properly cultivated could rescue talent and virtue from the parochial needs of the family farm Rather than an apology for an emerging market culture of material desire and commercial dealing ambition became a civic project a concerted reply to the localism of provincial life By thus attaching itself to the national self image during the early years of the Republic before the wrenching upheavals of the Industrial Revolution ambitious striving achieved a cultural dominance that future generations took for granted *Beyond the Farm* not only describes this transformation as a national effort but also explores it as a personal journey Centered on the lives of six aspiring men from the New England countryside the book follows them from youthful days full of hope and unrest to eventual careers marked by surprising success and crushing failure Along the way J M Opal recovers such intimate dramas as a young man s abandonment by his self made parents a village printer s dreams of small town fame and a headstrong boy s efforts to both surpass and honor his family By relating the vast abstractions of nation and ambition to the everyday milieus of home work and school *Beyond the Farm* reconsiders the roots of American individualism in vivid detail and moral complexity

**Program of the ... Annual Meeting of the American Historical Association** American Historical Association. Annual Meeting, American Historical Association, 2009 Some programs include also the programs of societies meeting concurrently with the association [The Gendered Republic](#) Craig Thompson Friend, Lorri Glover, 2025-11-28 An authoritative assessment of the early American republic through the lens of gender What does it mean to study early American history through gender The essays in this collection written by the best emerging and established historians in the field bring together women s history with masculinity studies to showcase the transformative impact of gender history on our understanding of the early American republic In addition to state of the field historiographical overviews *The Gendered Republic* features essays that use gender history to suggest new chronological and geographic frameworks broaden understandings of politics and citizenship highlight the complexities of intersectional identities and explore new approaches that center bodies and sexualities Collectively the contributors showcase the vibrancy of gender history as a frame of inquiry revealing how shifting notions of women s and men s roles shaped the lives of people in the early American republic White Black and Indigenous and how those people in turn experienced and redefined gender and with it their communities cultures laws families and nations Contributors Jacqueline Beatty York College of Pennsylvania Rachel Hope Cleves University of Victoria Shannon C Eaves College of Charleston Craig Thompson Friend North Carolina State University Lorri Glover Saint

**Beyond the Farm** J. M. Opal, 2011-03-23 During the first half century of American independence a fundamental change in the meaning and morality of ambition emerged in American culture Long stigmatized as a dangerous passion that led people to pursue fame at the expense of duty ambition also raised concerns among American Revolutionaries who espoused self sacrifice After the ratification of the U S Constitution and the creation of the federal republic in 1789 however a new ethos of nation making took hold in which ambition properly cultivated could rescue talent and virtue from the parochial needs of the family farm Rather than an apology for an emerging market culture of material desire and commercial dealing ambition became a civic project a concerted reply to the localism of provincial life By thus attaching itself to the national self image during the early years of the Republic before the wrenching upheavals of the Industrial Revolution ambitious striving achieved a cultural dominance that future generations took for granted Beyond the Farm not only describes this transformation as a national effort but also explores it as a personal journey Centered on the lives of six aspiring men from the New England countryside the book follows them from youthful days full of hope and unrest to eventual careers marked by surprising success and crushing failure Along the way J M Opal recovers such intimate dramas as a young man s abandonment by his self made parents a village printer s dreams of small town fame and a headstrong boy s efforts to both surpass and honor his family By relating the vast abstractions of nation and ambition to the everyday milieus of home work and school Beyond the Farm reconsiders the roots of American individualism in vivid detail and moral complexity

**American Nationalisms** Benjamin E. Park, 2018-01-11 America was born in an age of political revolution throughout the Atlantic world a period when the very definition of nation was transforming Benjamin E Park traces how Americans imagined novel forms of nationality during the country s first five decades within the context of European discussions taking place at the same time Focusing on three case studies Massachusetts Pennsylvania and South Carolina Park examines the developing practices of nationalism in three specific contexts He argues for a more elastic connection between nationalism and the nation state by demonstrating that ideas concerning political and cultural allegiance to a federal body developed in different ways and at different rates throughout the nation American Nationalisms explores how ideas of nationality permeated political disputes religious revivals patriotic festivals slavery debates and even literature

**The World of the Revolutionary American Republic** Andrew Shankman, 2014-04-16 In its early years the American Republic was far from stable Conflict and violence including major land wars were defining features of the period from the Revolution to the outbreak of the Civil War as struggles over who would control land and labor were waged across the North American

continent The World of the Revolutionary American Republic brings together original essays from an array of scholars to illuminate the issues that made this era so contested Drawing on the latest research the essays examine the conflicts that occurred both within the Republic and between the different peoples inhabiting the continent Covering issues including slavery westward expansion the impact of Revolutionary ideals and the economy this collection provides a diverse range of insights into the turbulent era in which the United States emerged as a nation With contributions from leading scholars in the field both American and international The World of the Revolutionary American Republic is an important resource for any scholar of early America

The Province of Affliction Ben Mutschler,2020-08-06 In The Province of Affliction Ben Mutschler explores the surprising roles that illness played in shaping the foundations of New England society and government from the late seventeenth century through the early nineteenth century Considered healthier than people in many other regions of early America and yet still riddled with disease New Englanders grappled steadily with what could be expected of the sick and what allowances were made to them and their providers Mutschler integrates the history of disease into the narrative of early American social and political development illuminating the fragility of autonomy individualism and advancement Each sickness in early New England created its own web of interdependent social relations that could both enable survival and set off a long bureaucratic struggle to determine responsibility for the misfortune From families and households to townships colonies and states illness both defined and strained the institutions of the day bringing people together in the face of calamity yet also driving them apart when the cost of persevering grew overwhelming In the process domestic turmoil circulated through the social and political world to permeate the very bedrock of early American civic life , **New Directions in Thomas Paine Studies** S. Cleary,I. Stabell,2016-04-08 Named moral father of the Internet by Wired Magazine and quoted by President Barack Obama in his historic first inaugural address Thomas Paine is an American revolutionary figure who continues to intrigue and infuriate New Directions in Thomas Paine Studies offers an interdisciplinary perspective on Paine s distinctive influence on a number of eighteenth century discourses from politics and literature to human rights and religion This volume aims to expand the field of study on one of the most important figures not simply in the American but the global revolutionary period of the late eighteenth century Drawing on an international group of scholars who hope to deconstruct the nationalistic boundaries that have hampered Paine studies for decades the essays offer not only new interpretations of Paine s major works but new methodologies that reflect the enduring presence of Paine in American cultural discourse

The Oxford Handbook of the American Revolution Edward G. Gray,Jane Kamensky,2015 The Oxford Handbook of the American Revolution introduces scholars students and generally interested readers to the formative event in American history In thirty three individual essays the Handbook provides readers with in depth analysis of the Revolution s many sides
