Beyond Calvinism And Arminianism An Inductive Mediate Theology Of Salvation:

Beyond Calvinism and Arminianism C. Gordon Olson, 2018-08 This book presents a unique view of salvation one which falls in the middle of Calvinism and Arminianism It deals with the errors found in Calvinism and Arminianism and resolves polarized views It provides a theology of assurance and eternal security in Christ and a simple solution to Hebrews 6 It approaches Scripture with an inductive bottom up approach not deductive There is given an exegesis of 1000 quoted Scripture passages The theology of salvation given in this book is gracious and non legalistic and is evangelism and missions friendly from back of book **The Extent of the Atonement** David L. Allen, 2016-06-01 The extent of Christ's atoning work on the cross is one of the most divisive issues in evangelical Christianity In *The Extent of the Atonement A Historical and Critical Review* David L Allen makes a biblical historical theological and practical case for a universal atonement Through a comprehensive historical survey Allen contends that universal atonement has always been the majority view of Christians and that even among Calvinist theologians there is a considerable range of views Marshalling evidence from Scripture and history and critiquing arguments for a limited atonement Allen affirms that an unlimited atonement is the best understanding of Christ's saving work He concludes by showing that an unlimited atonement provides the best foundation for evangelism missions and preaching Getting the Gospel Right - A Balanced View of Salvation Truth Carl Gordon Olson, 2005-11 A revised and abridged edition of *Beyond Calvinism and Arminianism An Inductive Mediate Theology of Salvation* in which theologian missiologist Olson gives the fruit of a 25 year theological pilgrimage His inductive focus on Scripture results in a middle view of salvation truth thus resolving polarized extremes This edition is much more readable and accessible for most Christians The exegetical methodology emphasizes context word studies and grammar of all relevant passages with extensive support for eternal security and refutation of deterministic concepts of salvation In the foreword Dr Tim LaHaye refers to the incredible distribution of the academic edition which sold out in 3 years A revised academic edition is forthcoming in 2006

Reprobation: from Augustine to the Synod of Dort Peter Sammons, 2020-01-20 Over the centuries the Protestant church has been severed into two major positions in regard to predestination and reprobation On one side the Arminians largely reject these doctrines while the reformed readily embrace them as biblical truth Although much has been written either rejecting or defending the doctrine of reprobation little attention has been given to the historical development of the reformed position on the nature of reprobation and God's use of secondary causality in the hardening of the wicked By means of historical analysis Peter Sammons traces the development of the doctrine of reprobation from Augustine to the Synod of Dort In this book Sammons gives special attention to views on reprobation and its various parts preterition and predamnation along with how historically theologians have attempted to articulate its execution Perhaps one of the greatest paradoxes in all of Scripture theology and philosophy is here addressed How does an omnibenevolent and omnipotent God predetermine and interact with sin in the world Answering the question proves vital not merely to reconcile theological and philosophical

concerns but to answer the all important question of life Who is God This volume is intended to provide a balanced analysis of the historical and intellectual development within reformed theology as to how God is simultaneously holy and sovereign by examining how reprobation and its parts have historically been defined Reformed understanding on this doctrine was not done in a vacuum nor was it concluded in the 180 meetings of the Synod of Dort rather it has a history within the church of thoughtful development

Perspectives on Election Chad Brand,2006-11-01 Five church scholars from varying denominational backgrounds discuss five basic common beliefs about spiritual election that have developed throughout history with the goal of determining which is most scripturally sound

Untying God's "Nots" Troy J. Edwards,2016-07-12 If a nation marches against you know that I am not behind it Isaiah 54 15a The Voice A common phrase used by many Christians particularly when there is some tragic event is that God is in control Many people mean different things by the statement however the majority of those who use the statement believe that God initiated the tragic event and had a secret mysterious plan to bring some unknown good from it We believe that such a teaching casts aspersions on God s character Besides the origins of this teaching is not from the Bible but is derived from pagan philosophy Throughout these pages we will look at a number of arguments and Scriptures used by proponents of this teaching and show the reader that it does not line up with the Bible s teaching about God The reader will also learn that this teaching is a tool of Satan to keep Christians passive so that they will not stand against him in the authority of Christ s victory over him

Reprobation and God's Sovereignty Peter Sammons,2022-01-25 God s right to judge humanity is written on the very fabric of human existence The doctrine of reprobation that is the eternal unconditional decree of God for the non elect is frequently misconstrued in both pastoral and theological literature In Reprobation and God s Sovereignty Peter Sammons reintroduces this oft misunderstood doctrine revealing its relationship to divine sovereignty With Romans 9 as a guiding text Sammons presents a thoroughly researched defense of reprobation as an essential part in a Reformed theology that magnifies God and encourages believers to trust in him Reprobation and God s Sovereignty clearly defines and demonstrates from Scripture the foundational terms and doctrines required for properly understanding reprobation such as God s justice Election Compatibilism Secondary causality Preterition Predamnation Understanding these theological ideas proves vital to answering life s all important question Who is God Sammons shows how the doctrine of reprobation leads to a greater admiration for God eliciting higher praise reverence and belief in him

A Survey of World Missions Robin Hadaway,2020-05-01 Robin Hadaway presents a full survey of world missions addressing biblical theological and historical foundations as well as culture context philosophy and missions strategy

Heaven Wins Don Richardson,2013-11-26 Who Will Be Saved Who Will Be Lost The past few years have seen the release of several high profile books including Love Wins Rob Bell and God Wins Mark Galli that attempt to

clarify what the Bible teaches about the ultimate destiny of individuals after this life Don Richardson believes the arguments posed by these authors do not account for all the biblical evidence In Heaven Wins the bestselling author of Peace Child and Eternity in Their Hearts offers a faith enhancing scripturally grounded perspective that changes everything Are a majority of people destined for hell as many Christians assume or will heaven harvest the greater part of mankind Could it be that the Good News is even better and more expansive than we have dared to hope The answer may surprise you
