Barry K. Morris

Beyond Tolerance How People Across America Are Building Bridges Between Faiths:

Beyond Tolerance Gustav Niebuhr, 2009 **Beyond Tolerance** Gustav Niebuhr, 2008-07-31 At a time when religious conflict and violence seem to dominate the media distinguished religion journalist Gustav Niebuhr set off across America to find people who are building not burning the bridges between faiths As he travels across the country from Queens and Baltimore to Louisville and Los Angeles he finds Buddhists Catholics Jews Baptists Muslims and Episcopalians reaching out to one another to find common ground between their faiths This insightful and deeply felt exploration of the nature of community and religion is a tribute to their efforts and a boost of much needed optimism that reminds all Americans of their common goals no matter their faith *Why Religions Work* Eleanor Stoneham, 2012-11-16 A free thinking scientific Christian author rebukes militant atheists defends all religions and offers refreshingly new ideas for building religious tolerance **The Interfaith Movement** John Fahy, Jan-Jonathan Bock, 2019-09-05 Although its beginnings can be traced back to the late 19th century the interfaith movement has only recently begun to attract mainstream attention with governments religious leaders and grassroots activists around the world increasingly turning to interfaith dialogue and collective action to address the challenges posed and explore the opportunities presented by religious diversity in a globalising world This volume explores the history and development of the interfaith movement by engaging with new theoretical perspectives and a diverse range of case studies from around the world The first book to bring together experts in the fields of religion politics and social movement theory to offer an in depth social analysis of the interfaith movement it not only sheds new light on the movement itself but challenges the longstanding academic division of labour that confines religious and social movements to separate spheres of inquiry **Remembering Faithfully Forward** Barry K. Morris, 2022-06-08 Daily Meditation readers abound some thankfully endure Rare are spiritually grounded and contemplative invitations that feature four generations of earnest family teachers preachers activists journalists and controversial prophets In various life conditions threatening and challenged by sickness and despair herein are eight Niebuhrs faithful wrestlings They bequeath bristling morsels and compelling insights creatively compacted into more than four hundred entries and reference leads for further consideration Thus deeply influenced by the patriarch and matriarch Gustav Sr and Lydia arise Reinhold s steadfast reflections on grace grounded justice and its principles the caringly layered meanings of the love of neighbor and God from his brother H Richard the dedication to render the faith intelligible to postmoderns held by his son Richard Reinhold and the decisive and insightful journalism by in turn his son Gustav Jr on Lincoln being duly lobbied for mercy to indigenous peoples And that s not all the indispensable reminiscences of Reinhold s educator sister Hulda and his wife Ursula as well as the unearthed grace based Serenity Prayer of his daughter Elisabeth corporately express rare gleanings of the Niebuhr clan s virtual school of warm contemplative action *The Mystery of Suffering and the Meaning of God* Anson Hugh Laytner, 2019-07-12 The Mystery of Suffering and the Meaning of God is a book written by a skeptical but

spiritual person for people who struggle with the subjects of God divine providence prayer and related issues people who are looking for honest and thoughtful and sometimes humorous theological reflections but no easy answers A work of creative theology fifteen years in the making *The Mystery of Suffering and the Meaning of God* deals primarily with the issue of suffering starting with the book of Job and addresses the subject of theodicy before going on to explore related topics of the role of prayer God concepts the meaning of revelation and how we can best live together Laytner intersperses these penetrating theological reflections with pertinent episodes from his life starting with the personal tragedies that sparked this book Trained as a liberal rabbi Laytner riffs on Jewish themes to offer a universal yet personal response to each of the challenges he discusses His thesis is this If you are troubled by the issue of suffering and wonder about God s presence or lack thereof in the world and you find no solace in any of the traditional theodicies then change your conception of God and God s involvement in the world Problem solved

Practices of Global Ethics Frederick Bird, 2016-02-28 *The Practices of Global Ethics* takes a unique look at global ethics not as mere written statements but as a set of practices undertaken by thousands of organisations and hundreds of thousands of people to shape the normative trajectory of human affairs It looks at statements of global ethical principles including The Universal Declaration of Human Rights the Earth Charter and the Rio Documents and positions them as the outcomes and expression of ongoing practices Offering innovative critical and thoughtful analyses of ethical practices since World War II the book examines efforts to promote human rights foster ecological responsibility end genocide reduce global poverty encourage responsible and sustainable international business practices cultivate understanding and collaboration amongst the world s religions among other worldwide endeavours

God Beyond Borders Sheryl A. Kujawa-Holbrook, 2014-03-17 Based on ten years of research *God Beyond Borders* is a comprehensive study of interreligious learning in faith communities The United States is one of the most religiously diverse countries of the world Kujawa Holbrook details the many practices of interreligious learning in faith communities through interreligious encounters religious education shared sacred space shared prayer and compassionate action The book also surveys the field of interreligious learning and investigates some of the more common intentionally interreligious communities families clergy groups chaplaincies and community organizations Kujawa Holbrook combines theory and praxis to make a case for the importance of interreligious learning in all religious organizations

One Nation, Many Faiths Liam T. Sutherland, 2024-12-26 This book examines the understudied role of the interfaith movement in institutionalizing religious pluralism in the public life of contemporary societies through the case study of Interfaith Scotland It analyzes the organization and their literature demonstrating the ways in which they have cultivated a particular model of religious pluralism compatible with a secular civic cultural nationalism It places this case into a comparative discussion of the interfaith movement as an emerging global phenomenon In this case study the author considers how Interfaith Scotland presents religions as equivalent compatible bodies of ethical teachings through selective appeals to textual traditions or in

some cases their construction It has also depended on conforming to the world religions paradigm where it is only religions with global reach and cohesive characteristics which require representation Liam Sutherland discusses how Interfaith Scotland encouraged a common seemingly apolitical attachment to Scotland s democratic institutions and cultural heritage especially in relation to the question of independence This case study sheds light on the wider relationship between the global interfaith movement and nationalism both in protecting religions against prejudice and exclusion but also pursuing integrationist goals

Asian American History Day by Day Jonathan H. X. Lee, 2018-10-12 For student research this reference highlights the importance of Asian Americans in U S history the impact of specific individuals and this ethnic group as a whole across time documenting evolving policies issues and feelings concerning this particular American population Asian American History Day by Day A Reference Guide to Events provides a uniquely interesting way to learn about events in Asian American history that span several hundred years and the contributions of Asian Americans to U S culture in that time The book is organized in the form of a calendar with each day of the year corresponding with an entry about an important event person or innovation that span several hundred years of Asian American history and references to books and websites that can provide more information about that event Readers will also have access to primary source document excerpts that accompany the daily entries and serve as additional resources that help bring history to life With this guide in hand teachers will be able to more easily incorporate Asian American history into their classes and students will find the book an easy to use guide to the Asian American past and an ideal jumping off point for more targeted research
