Reservationless-Plus

Record & Playback

Sometimes it is impossible to bring everyone together for a conference, so InterCall has features that let you archive your conference for people who are unable to attend your meeting. Record & Playback digitally records your Reservationless-Plus® conference call for participants who were unable to attend or for those who would like to listen to it again. For easy, 24/7 availability, the recording can be accessed on the Internet or by dialing a toll-free number. You may also purchase a CD, downloadable link or a transcription of your recording.

Record a Conference Call

Use these step-by-step instructions to successfully record your conference call to ensure everyone receives your message.

Starting a Reservationless-Plus Conference Call

1. Give your participants the date and time of your conference call, your dial-in number, conference code, security passcode, if this option is enabled.
2. At the specified time, dial your Reservationless-Plus dial-in number.
3. When prompted, enter your conference code followed by #.
4. When prompted, press * to identify yourself as the leader, then enter your leader PIN followed by #.
5. Press 1 to begin your conference or press 2 to change your default conference options.
6. If the security passcode option is enabled you will be prompted to enter the passcode at this time.

Participants join your conference by following steps 2 and 3 above.

Starting a Recording

1. Once your conference begins, press *2 on your telephone keypad to start a recording.
2. When prompted, press 1 to confirm that you would like the recording to begin.
3. Your conference is being recorded once you hear, "The conference is now being recorded."
