Simon: I'm beginning to wonder if you're capable of handling good ideas.

Paul: Why? Because I don't want my poems to be read?

Simon: Oh, because there isn't the least bit of substance to you. But poems are supposed to be about substance. There are poems that make sense and there are the other kind where there's no sense whatsoever. But I don't see that, anything you mention isn't it.

Paul: Yeah.....What if you haven't noticed what you did there I could tell you as much as I can remember.

Simon: You want to give that description a minute. You could remember for me right now, Paul. Remember you can like to ...

Paul: Simon.....I'm really sorry.

Simon: I don't say that.

Paul: That's what you're saying.

Simon: That's what you're suggesting I don't say. You're suggesting that you are suggesting that you are suggesting.

Paul: The subject and the subject Simon.....I understand I know what you're saying.

Simon: Oh, right. The other night at the party.....I remember that night.

Paul: Simon I was there.

## **Barefoot In The Park Script:**

Flirting with Fire Jane Porter, 2023-07-25 Love isn't just an act in this captivating and flirty romance by New York Times bestselling author Jane Porter. Forty-nine-year-old Margot Hughes has lived and breathed theater for the past twenty-five years. After a devastating breakup with her playwright fiancé, she wants nothing to do with the industry. She has sworn off New York theater actors all of it. She returns to her hometown on California's central coast and takes a job in real estate where she manages significant investment properties. But Margot is suddenly thrown back into the theater world when Sally, her friend and boss who had been restoring and funding Cambria's historic theater, has a heart attack. Before she knows it, Margot is tapped to take over the troubled summer production of *Barefoot in the Park*. But the play is no walk in the park; the leads and director have all quit, and Margot struggles to find new actors until Max Russo arrives. Forty-five-year-old Max is a former soap opera star turned rugged cowboy on TV's most popular western series. Max has a huge following and is the perfect hero to step up and save the play provided Margot stars opposite him. Although adamant she would never return to theater, Margot enjoys the long hours of rehearsal with a professional like Max who is charming, witty, and passionate. But when the curtains close, can Margot allow herself to fall for Max when he represents everything she left behind? **Pictures**

**at a Revolution** Mark Harris, 2008-02-14 The epic human drama behind the making of the five movies nominated for Best Picture in 1967: *Guess Who's Coming to Dinner*, *The Graduate*, *In the Heat of the Night*, *Doctor Doolittle*, and *Bonnie and Clyde*. And through them, the larger story of the cultural revolution that transformed Hollywood and America forever. It's the mid-1960s, and westerns, war movies, and blockbuster musicals like *Mary Poppins* and *The Sound of Music* dominate the box office. The Hollywood studio system, with its cartels of talent and its production code, is hanging strong or so it would seem. Meanwhile, Warren Beatty wonders why his career isn't blooming after the success of his debut in *Splendor in the Grass*. Mike Nichols wonders if he still has a career after breaking up with Elaine May, and even though Sidney Poitier has just made history by becoming the first black Best Actor winner, he's still feeling completely cut off from opportunities other than the same noble black man role. And a young actor named Dustin Hoffman struggles to find any work at all. By the Oscar ceremonies of the spring of 1968, when *In the Heat of the Night* wins the 1967 Academy Award for Best Picture, a cultural revolution has hit Hollywood with the force of a tsunami. The unprecedented violence and nihilism of fellow nominee *Bonnie and Clyde* has shocked old-guard reviewers but helped catapult Warren Beatty and Faye Dunaway into counterculture stardom and made the movie one of the year's biggest box office successes. Just as unprecedented has been the run of nominee *The Graduate*, which launched first-time director Mike Nichols into a long and brilliant career in filmmaking, to say nothing of what it did for Dustin Hoffman, Simon and Garfunkel, and a generation of young people who knew that whatever their future was, it wasn't in plastics. Sidney Poitier has reprised the noble black man role brilliantly not once but twice in *Guess Who's Coming to Dinner* and *In the Heat of the Night*, movies that showed in different ways both how far America had come on the subject of race in

1967 and how far it still had to go What City of Nets did for Hollywood in the 1940s and Easy Riders Raging Bulls for the 1970s Pictures at a Revolution does for Hollywood and the cultural revolution of the 1960s As we follow the progress of these five movies we see an entire industry change and struggle and collapse and grow we see careers made and ruined studios born and destroyed and the landscape of possibility altered beyond all recognition We see some outsized personalities staking the bets of their lives on a few films that became iconic works that defined the generation and other outsized personalities making equally large wagers that didn't pan out at all The product of extraordinary and unprecedented access to the principals of all five films married to twenty years worth of insight covering the film industry and a bewitching storyteller's gift Mark Harris's Pictures at a Revolution is a bravura accomplishment and a work that feels iconic itself

**Sharon Tate** Ed Sanders, 2016-01-05 Ed Sanders gave readers their clearest insight yet into the disturbing world of Charles Manson and his followers when he published The Family in 1971 Continuing that journalistic tradition Sanders presents the most thorough look ever into the heartbreaking story of Sharon Tate the iconic actress who found love fame and ultimately tragedy during her all too brief life Sharon Tate A Life traces Sharon's path from beauty queen to budding young actress her early love affairs her romance with and marriage to director Roman Polanski and the excitement of the glamorous life she had always sought all set against the background of the turbulent 1960s This sympathetic account tells the powerful story of her determined rise through the ranks of Hollywood and to the brink of stardom before her name became forever linked with the shocking murder spree that took her life In 1969 the Polanski house was targeted by the followers of cultist Charles Manson Why the Manson clan focused its gaze on Sharon remains unclear but the world was soon shocked to its core
