Barnstorm Raphael Kadushin, 2005-02-28 Though the best American writers live everywhere now a popular fiction persists our strongest literary voices are strictly bi coastal ones Barnstorm sets out to disprove that cliché and to undermine another one as well the sense of regional fiction as something quaint slightly regressive and full of local color The stories in this collection capture our global reality with a ruthless unaffected voice Lorrie Moore's The Jewish Hunter is a dark romance that's by turns cynical and guileless Mack Friedman catches the smoking feel of first love in his Setting the Lawn on Fire and Jesse Lee Kercheval's Brazil is a raucous ultimately mournful road trip For Jane Hamilton Wisconsin is a gorgeous but bittersweet homecoming and for Kelly Cherry in her achingly elegiac As It Is in Heaven it's the hopeful new world juxtaposed with a bleak tweedy England Dwight Allen's The Green Suit evokes the young man edging toward adulthood in a New York

that s as flamboyant as an opera and Tenaya Darlington in her A Patch of Skin constructs a pure horror story because the horror of loneliness is something we all know Together Barnstorm s eclectic voices suggest that every coast now even the Great Lakes shores are at the very center of our best and truest national literature Not for sale in the United Kingdom

The Journey of My Father's Son Jerry L. Jacobs,2014-02

This book is a synopsis of my life with the intention of showing how God intervened in my life and how I reacted to circumstances He created for me for the benefit of others It is a book of brokenness and healing It is a book about how He took away all my crutches and left me with nothing to cling to but Himself It is about my life in the worst of personal situations where my life ended at Clingman s Dome and how I was reborn with an injection of hope from Him in the same instant It is about God s preservation of my life for His purpose It is about the joy found around the dining table about the disintegration of my family and about how God put it back together the way He saw fit My life started at the edge of a cotton field in the middle of World War II with a life threatening disease attacking me before I reached one year of age It is about my total lack of social skills and how God prepared me for higher education in preparation for speaking in front of a thousand people My life was a battleground with Satan s attempt to destroy me and God who intervened at the last second Being His child assures me that nothing can happen to me without God s approval and I have shared those events in this book It is a book of spiritual warfare with God as the victor and me as the prize
