Beyond Shame Book One:

Beyond Shame (Beyond Series, Book 1) Kit Rocha, 2012-09 All Noelle Cunningham has ever wanted was a life beyond beyond her stifling role as a prim and proper councilman's daughter and beyond the walls of the patriarchal city of Eden the only remnants of safety in a world destroyed by solar storms decades earlier But when she's banished for violating the prohibition against immorality she's unprepared for the lawless world outside the city's walls The sectors surrounding Eden house those abandoned to fend for themselves men like Jasper McCray bootlegger and cage fighter Jas clawed his way up from nothing to stand at the right hand of Sector Four's ruthless leader and he'll defend the O Kane gang with his life But fighting hasn't prepared him for dealing with a sheltered City princess who falls at his feet Her innocence is undeniable but so is her intense sexual curiosity Soon they're exploring every dark fantasy she's ever been ashamed to have But if Noelle wants to claim her place with the O Kanes and at Jas's side she'll have to find the courage to embrace something even more terrifying than her own desires Her own power The Beyond Series is dystopian erotic romance While the books explore kink and sex with multiple partners in a dark and decadent world all sex between characters is 100% consensual **Beyond**

Shame Matthias Roberts, 2020-01-07 We all carry sexual shame Whether we grew up in the repressive purity culture of American Evangelical Christianity or not we've all been taught in subtle and not so subtle ways that sex outside of very specific contexts is immoral and taboo Psychotherapist Matthias Roberts helps readers overcome their shame around sex by overcoming three unhealthy coping mechanisms we use to manage that shame Beyond Shame encourages each of us to determine our own definition of healthy sex while avoiding the ditches of boundaryless sex positivity on the one hand and strict moralistic boundaries on the other Define your sexual values on your own terms overcome your shame and start having great healthy sex Beyond Shame Patrick Moore, 2004 Patrick Moore boldly argues that the promiscuous gay men of the 1970s were actually artists and that AIDS derailed an esthetic community and sexual adventure This quietly personal book reclaims the past for young gay men and makes it useable Edmund White author of A Boy's Own Story A personal tender honest book about a past that can never be regained but must not be forgotten Sarah Schulman author of After Delores Patrick Moore reminds us of the extravagant creativity of gay self-fashioning in the 1970s in the hope that such historical awareness can help us bring about an extravagant creative gay future Carolyn Dinshaw Director of the Center for Gender Sexuality New York University Moore's exceptional study considers those men who fashioned an underground gay life that still resonates today Felice Picano author of Like People In History and a founding member of the Violet Quill Club
