Beyond The Grave Love And Immortality:

Beyond the Grave Floyd Vernon Chandler, 2009-10-01 What really happens to human consciousness at death How might love and immortality be related What is purgatory and do most religions teach the concept of purgatory What is spirituality Is the essence of the mystery we call God the same for the Buddhist Christian Hindu Jew and Muslim Is it more important what my religion teaches me to believe or is it more important that my religion enables me to become more loving and compassionate How might one practice a reverence for life by our food choices How do we balance work and spirituality How do we balance spirituality and social justice work In this collection of sermons and reflections Floyd Vernon Chandler suggests that there are many valid spiritual paths to Enlightenment and Holiness Understanding the mystery we call God is akin to the story of five blind men touching different parts of a huge elephant Each man's description and understanding of the elephant will vary based upon the location of his touch The importance of any religion is determined by how much our respective spiritual paths lead us to grow in love and compassion for one another and for all other forms of life on this planet The sermon and reflections found in *Beyond the Grave Love and Immortality* express a Universalist theology that all souls will eventually be reunited with the mystery we call God Inherent in this collection of writings is the belief that there is truth in all religions and that there are many valid spiritual paths No religious dogma or ideology has a monopoly on truth

Departed Ones Live Monk Mitrophan, 2015-11-01 Our Lord Jesus Christ is the Conqueror of death and consequently of the death of our departed ones Let us say to them in Him not Farewell but Until we meet again beloved spouse good parents dear brother or sister Until we meet again While many are now abandoning traditional religious practice none the less the reality of death and questions regarding the afterlife remain at the forefront of spiritual consciousness *How Our Departed Ones Live* is the answer to those who seek the truth as expressed through the experience of the Orthodox Church This comprehensive book discusses the source of death and mortality the inner connection and mutual relationship between the living and the departed intercession by the living for the departed and life beyond the grave It will comfort the grieving and inspire all Christians to strengthen their resolve as they seek first the Kingdom of God and His righteousness *The Tuma*

Underworld of Love Gunter Senft, 2011-09-29 The Trobriand Islanders eschatological belief system explains what happens when someone dies Bronislaw Malinowski described essentials of this eschatology in his articles Baloma the Spirits of the Dead in the Trobriand Islands and Myth in Primitive Psychology There he also presented the Trobrianders belief that a baloma can be reborn he claimed that Trobrianders are unaware of the father s role as genitor This volume presents a critical review of Malinowski s ethnography of Trobriand eschatology finally settling the virgin birth controversy It also documents the ritualized and highly poetic wosi milamala the harvest festival songs They are sung in an archaic variety of Kilivila called biga baloma the baloma language Malinowski briefly refers to these songs but does not mention that they codify many aspects of Trobriand eschatology The songs are still sung at specific occasions however they are now moribund With these songs Trobriand eschatology will vanish
