

**“I am learning to understand rather than
immediately judge or to be judged.
I cannot blindly follow the crowd
and accept their approach.
I will not allow myself to indulge in the
usual manipulating
game of role creation.
Fortunately for me, my self-knowledge has
transcended that and I have come to
understand that life is best
to be lived and not to be conceptualized.
I am happy because I am growing daily and I am
honestly not knowing where the limit lies.
To be certain, every day there can be a
revelation or a new discovery.
I treasure the memory of the past misfortunes.
It has added more to my bank of fortitude.”**
