Why Meadow Died Andrew Pollack, Max Eden, 2019-09-10 WALL STREET JOURNAL BESTSELLER As featured in the New York Post and as seen on Tucker Carlson Fox and Friends Martha MacCallum and more Voted by Book Authority as one of the ten best social policy books of all time The Parkland school shooting was the most avoidable mass murder in American history And the policies that made it inevitable are being forced into public schools across America After my sister Meadow was murdered at Marjory Stoneman Douglas High School the media obsessed for months about the type of rifle the killer used It was all clickbait and politics not answers or justice That wasn't good enough for us My dad is a real tough guy but Meadow had him wrapped around her little finger He would do anything she wanted and she would want him to find every answer so that this never happens again My dad teamed up with one of America's leading education experts to launch his own investigation We found the answers to the questions the media refused to ask Questions about school safety that go far beyond the national gun debate And the answers to those questions matter for parents teachers and schoolchildren nationwide If one single adult in the Broward County school district had made one responsible decision about the Parkland shooter then my sister would still be alive But every bad decision they made makes total sense once you understand the district's politically correct policies which started here in Broward and have spread to thousands of schools across America Hunter Pollack Foreword

The Palgrave International Handbook of School Discipline, Surveillance, and Social Control Jo Deakin, Emmeline Taylor, Aaron Kupchik, 2018-06-07 Truly international in scope this Handbook focuses on approaches to discipline surveillance and social control from around the world critically examining the strategies and practices schools employ to monitor students and control their behavior Bringing together leading scholars from a range of disciplinary backgrounds the chapters scrutinize analyze and compare schools practices across the globe providing a critical review of existing evidence debates and understandings while looking forward to address emerging important questions and key policy issues The chapters are divided into four sections Part 1 offers accounts of international trends in school discipline surveillance and punishment Part 2 examines the merging of school strategies with criminal justice practices Part 3 focuses on developments in school technological surveillance and Part 4 concludes by discussing restorative and balanced approaches to school discipline and behavior management As the first Handbook to draw together these multiple themes into one text and the first international comparative collection on school discipline surveillance and social control it will appeal to scholars across a range of fields including sociology education criminology critical security studies and psychology providing a unique timely and indispensable resource for undergraduate educators and researchers

The Complex Web of Inequality in North American Schools Gilberto Q. Conchas, Briana M. Hinga, Miguel N. Abad, Kris D. Gutierrez, 2019-08-22 The Complex Web of Inequality in North American Schools analyzes and challenges the critical gaps and inequalities that persist in the American school system Showing how historical biases have been inherited in current policies relating to non

dominant youth the text calls for educational reforms that perform in the name of social justice This edited collection carefully interrogates how technocratic educational policies and reforms are often unequipped to address the interplay of political social economic ideological factors that are at the roots of educational injustice Considering the most vulnerable student populations original case studies explore how inadequate structures practices and beliefs have increased marginalization and highlight those instances in which policy has proved effective in reducing opportunity gaps between economically rich and poor students between white Asian Black and Latino youth between native English speakers and second language learners highlighting racial integration and unequal American Indian education and for students with special educational needs The insights into such policies shed light on the complex web of historically embedded inequities that continue to shape the construction roll out and consequences of education policy for the most marginalized youth populations today This volume will be of interest to graduate and postgraduate students researchers and academics in the fields of education policy sociology of education economics of education and history of education and well as policy evaluation
