Baseball Coach Manual

Pete Williams, Major League Baseball

A red circular graphic with a gradient, appearing as a stylized arrow or a light effect, positioned to the right of the author's name.

Baseball Coach Manual:

Baseball: How To Play The Game Pete Williams, Major League Baseball, 2011-03-08 Major League Baseball has compiled the definitive instruction manual on learning to play the game Fully illustrated with action photos of MLB stars illustrating key points and drills for each defensive position this book also includes special tips from MLB players on batting base running the rules of the game and coaching Easy to follow instructions and diagrams of all the skills beginning players need to master the game how to throw hit and field all the positions while also promoting good sportsmanship Each skill and position is presented separately with photographs and drawings of a player executing the specific skill advice on how to perform it and when to use it and the most common mistakes Written and compiled by the best baseball instructors coaches and players in the world this comprehensive how to is informative enough to help even the brightest young stars shine brighter With keen insights from instruction and developmental coaches the need to create a positive environment in practice and encourage creativity as well as technical correctness is stressed Most importantly the coaches understand that kids are not just small adults and they back up their understanding with advice on how to help kids fall in love with America's pastime Model training sections construct excellent practice sessions from warm up through cool down exercises and hundreds of drills and games to reinforce this is an essential tool for all coaches as a guide to improving performance and enjoyment of practice and playing the game This must have resource covers it all Batting Pitching Base running and sliding Specific drills for playing all defensive positions Coaching and rules Offensive and defensive strategy Partial list of Big League tips on How to Play the Game Tony Gwynn hitting Sammy Sosa judging fly balls Bernie Williams playing the outfield Mark Grace approach to hitting Alex Rodriguez fielding ground balls Jeff Bagwell hitting Roberto Alomar fielding ground balls Jaret Wright pitching mechanics Edgar Renteria how to play SS John Lackey improving your pitching Carlos Delgado mastering 1B Rocco Baldelli basic approach at plate Cristian Guzman fielding ground balls Danny Kolb good approach on the mound Dontrelle Willis pitching strategies Torii Hunter playing the outfield Jason Marquis pitching with control Chone Figgins sliding Orlando Cabrera improving your game Gary Bennett becoming a better catcher Ervin Santana pitching under pressure Mark Teixeira playing 1B Ryan Howard hitting Joey Gathright playing the OF Troy Tulowitzki succeeding at the plate Joel Zumaya pitching with poise Josh Johnson pitching with confidence

A Coach's Manual for Beginners Craig Shankle, 2003-02-04 This book is a compilation of my observations and experience over the years it represents my personal philosophy of the game and coaching As such against the dictates of proper English language usage I have used personal pronouns ad nauseam because it is my experience and my philosophy Much of what I have espoused in this book goes against sound winning baseball theory and sound baseball strategy specifically with regard to the batting order and rotation of players through the positions These are formative years for players and their baseball experience should be fun and of an instructional nature where they experience different positions and test their newfound skills and abilities The stated premise

of this book is to have fun and learn to be good citizens There will be plenty of time later on to hone skills and settle on one or two positions for specialization and to develop the killer instinct For now the objective is to acquaint players with the game while having fun and not drive them from it for life by insisting on perfection Just because you adopt the techniques espoused herein does not mean you will have a losing season or that you are not being competitive or teaching sound baseball It just means you are considering the individual as a whole and helping him her to become responsible members of a team whether athletic or social Some players seem to be born with presence while others may have it instilled by their parents at a young age Finding these rare and stimulating leaders and challenging their abilities in order to stretch their performance level is the coach's job Because they learn so quickly you may teach them more perhaps than you would a player not similarly gifted This does not mean the accomplishments of the less gifted are inferior to those of the gifted player Try to challenge each player according to his her abilities and reward their successful achievements with positive reinforcement Winning baseball strategy dictates you place your best six hitters at the top of the batting order Most consistent at getting on base bats first Best bunter second Best hitter third Next best hitters fourth fifth and sixth Poorest hitters seventh eighth and ninth The eighth and ninth slots are usually reserved for the catcher and pitcher Then place your best fielders at all the key positions and play them there constantly Rotate your worst players into the game where they can do the least damage and leave them there for the shortest time possible under league rules If that's the way you want to play the game and coach your players then this book is not for you Conversely if your goal is to help small children grow to learn to enjoy baseball at all levels and in the process become good citizens and have fun doing it then this book may help Throughout I have made many blanket statements and stated things should or should not be done a certain way Please do not misunderstand me just as Baseball is a game of inches so too is it many shades of gray Please feel free to adjust and compromise as necessary from time to time for the mutual benefit of both the team and enjoyment of the players I guess all I have been saying is just try to do what's right I know I have forgotten to include many important details that may have been helpful to your coaching experience please forgive me I tried I hope that this will give you enough information to overcome your fears and give coaching a try Thanks for your attention and perseverance Good luck next season and may you have many successful seasons and dedicated players in the future

High School Baseball Coaching Manual, 2006

The Batter's Out (Baseball Training Manual)

Charles R. Sledge Jr., 2008-05 The Batter's Out is a book of instructions on how to play baseball defensively It teaches how to play all nine positions properly on the field by showing how each player moves during the course of a play through illustrations The Batter's Out is a detailed description of what each player on any given team should do when the baseball is being hit to any given position The illustrations are colorful and simulate real action This book also holds a glossary of all the terms used for playing great defense It's ideal for Parents who want to become Coaches Coaches who want to improve their coaching skills and Children who dream of playing professional baseball everywhere
