Essential Christian Teachings Leo Salvador, 2013-11-11 God has a desire for every one of His children to become great In eternity past He designed a plan that would bring us to greatness He foresaw everything we would need to fulfill our destiny and He set aside a lifetime of provisions for each of us The purpose of this book is to lay out that plan to show from the Word the goal He wants us to reach and the means by which He intends we get there The fundamental principles which underlie any course of study are called simply the basics The basics are the ABC's the nuts and bolts They are the essentials the things we must master before we can become proficient in any particular field But the basics are also the things to which we must return when we lose our bearings They are the bedrock apart from which we have no hope of standing As new believers we learn the basic principles the love of God the destructiveness of sin salvation by faith the authority of the Word the sufficiency of grace We begin to practice the basic exercises confession prayer study services As we mature we come to realize that proficiency skill in living the Christian life is not a matter of moving beyond the basics but is a matter of delving more deeply into them We will never outgrow our need for confession or prayer or service in fact growth intensifies our need for and our pleasure in these things And even though we learn more promises more principles and more doctrines every day we will never plumb the depths of even the most basic truths of God's Word The more we grow in the grace and knowledge of God the less impressed we will be with ourselves and the more impressed we will become with the Lord Jesus Christ in whom are hidden all the treasures of wisdom and knowledge Col 2 3
