Student Study Guide to The Ancient Greek World Jennifer T. Roberts, Tracy Barrett, 2005-10-01 The Student Study Guides are important and unique components that are available for each of the books in The World in Ancient Times series Each of the Student Study Guides is designed to be used with the main text at school or sent home for homework assignments The activities in the Student Study guide will help students get the most out of their history books Each student study guide includes a chapter by chapter two page lesson that uses a variety of interesting activities to help a student master history and develop important reading and study skills Ancient Greece and Rome Keith Hopwood, 1995 Sir Thomas Fairfax not Oliver Cromwell was creator and commander of Parliament's New Model Army from 1645 to 1650 Although Fairfax emerged as England's most successful commander of the 1640s this book challenges the orthodoxy that he was purely a military figure showing how he was not apolitical or disinterested in politics The book combines narrative and thematic approaches to explore the wider issues of popular allegiance puritan religion concepts of honour image reputation memory gender literature and Fairfax's relationship with Cromwell Black Tom delivers a groundbreaking examination of the transformative experience of the English revolution from the viewpoint of one of its leading yet most neglected participants It is the first modern academic study of Fairfax making it essential reading for university students as well as historians of the seventeenth century Its accessible style will appeal to a wider audience of those interested in the civil wars and interregnum more generally
