Robbie Burns, 2011 Burns gives readers the lowdown on the strategies they need to make money from the stock market without having to sit at a screen all day This new edition contains even more essential content than before more vital tips more key facts more ideas more insights more real life tales and a lot more toast **A Christian from Egypt: Life Story of a Neurosurgeon Pursuing the Dreams for Quintuple Certifications** RAMSIS F. GHALY MD FACS, 2015-01-23 This book is my life story as a Coptic Christian raised in Egypt Where no one from my family has ever moved away for thousands of years through the rise and falls of ancient pharaohs and deep roots of ancient Christianity It is also the story of my parents raising 10 children since 1953 in an environment of extreme poverty where resources and opportunities were limited with unrelenting prejudice towards Christian minorities So I came to the United States the land of opportunity and became a prominent American neurosurgeon among the only 4000 active nationwide and the only one nationally and internationally to achieve five board certifications in five acknowledged medical disciplines I continue to practice and serve the mission set before me My home land was once prosperous and rich in history Over the centuries it joined the downfall of the majority of the developing countries of the world through its economic crises and injustices to many It was the land for the fathers of early Christians and the foundation for worldwide Christians Now the Coptic Christians are considered a minority constituting a mere 10% of the population and are joining the exodus of ancient Christians from their native African continent This book chronicles my journey from the land of history the land of my birth to the land of opportunity America It outlines the socioeconomic and political changes that Egypt has seen over the last century It is my hope that others may find inspiration and understanding of my culture through reading this book I owe it all to Christ the Lord my cherished parents

my family and friends my teachers my mentors and especially my beloved patients **Teach Yourself VISUALLY The new iPad** Lonzell Watson,2012-05-31 A new edition of a bestseller fully updated on the latest features of the iPad The evolution of the iPad continues to deliver amazing possibilities which is exactly why this bestselling guide evolves right along with it Fully updated with coverage on the latest generation of the iPad this full color step by step guide is perfectly suited for anyone who is a visual learner and learns best by visual cues and a tactile interface You ll learn to access and download books apps music and video content as well as send photos and emails sync with other devices and services and confidently use the multi touch display Highlights how to connect to multimedia content social networking and the Internet Shows you how to upload more than half a million apps including award winning games and helpful productivity tools Helps you take advantage of the potential of the iPad with the featured visual tips and guidance If you ve got the latest iPad then you certainly need the latest version of Teach Yourself Visually iPad 2 to go with it *iPad Secrets (Covers iPad, iPad 2, and 3rd Generation iPad)* Darren Murph,2012-03-22 Most iPad users are familiar with the product s basic functions but the iPad offers an endless array options and one doesn t need to be a pro to understand iPad Secrets provides the millions of iPad owners with a true behind the scenes look into a vault of features and little known short cuts of this sea changing tablet Direct from a product reviewer at Engadget the world s most read tech blog iPad Secrets provides practical information to vastly improve one s tablet experience and to make the device more useful as a tool The book includes secrets tips and tricks including Managing Multiple E Mail Accounts Contacts and Scheduling Making The Most Of Multitasking Wrangling iTunes While Maintaining Your Sanity Making The Most Of FaceTime and Those Other Video Calling Solutions AirPlay Streaming Secrets of the Multimedia Variety Taking Advantage of Wireless Functionality iMessage And The Wide World of Push Notifications iCloud Integration AirPlay Streaming Secrets of the Multimedia Variety Taking Advantage of Wireless Functionality iMessage And The Wide World of Push Notifications iCloud Integration iPad Secrets is ideal for anyone wanting to take advantage of the countless options the iPad has to offer **Innovative Internet Secrets** Doug Knell,2018-01-11 There are so many secrets packed in here I have to wonder if the Illuminati will have this author assassinated Derrick Mennings Marxist Internet Weekly Digest Written by an engineering expert with comprehensive knowledge of SEO marketing computers and the best Belgian beers to drink with them Preview the book to enter enlightenment Give Me A Couple Of Hours And I ll Turn You Into An Internet Wizard There are other internet secrets books and they work as excellent paperweights and have some therapeutic benefits too you can use them to put you to sleep This book is not to be equated with all those boring as all hell books with dubious internet insights and SEO tips Trust us what you know about the internet isn t as much as you think you know Beyond the basics how clued in are you really about the internet You probably know more about Bangladesh which ain t much right than you do about web development link building and search engine optimization The internet may play an integral role in our lives yet in informal testing close to 92% of internet users scored no more than basic competence with it

Less than 16% had any legitimate knowledge of SEO marketing I can hear you from here Basic competence is good enough for me Why would I want or need to do more than that You can use the Google or Bing search engine but lazily not with any genuine optimization get around the Gmail and Hotmail interfaces buy an airline ticket at Expedia order a book at Amazon and post an update at Facebook Is that mastery when anyone can do that Complacency never does anyone any favors If the complacent had won out we d still believe the world is flat and airplane flight is impossible Do you really need to be told that the internet is one of those things you cannot afford to be complacent about Your livelihood your identity your social networks your ability to distinguish yourself from the competition will all one day be measured by the breadth and depth of your internet skills Development of the web hasn t stood still Should your skills Every single one of these internet secrets will shoot your internet productivity into the stratosphere and leave you head and shoulders above your peers We re not naive to think you don t know any of these secrets but we re confident you don t know about most of them Any of these 100 internet insights will more than make up for the book s cost Keep your computer and other devices protected the best anti virus malware tools internet tools you should install to keep your computer mobile phone and tablet from being crippled Set up sharable internet networks wherever you happen to be like standing in front of Buckingham Palace Start building your favorite link bookmarks across all internet browsers and platforms Avoid internet scams Download and view internet videos offline Video streaming sucks bandwidth from your 4G plan Keep your identity safe Transfer large files Set up online music libraries so you can listen to your music anywhere anytime Shop on the internet for the absolute best prices View web sites optimally on any device Remember your passwords for any site and situation And much much more Some of these internet secrets you could discover if you knew where to look but it would take you months to collect the same knowledge you ll find here Other internet tools we ve picked up from years of experience You won t find those gems anywhere else Dump your other SEO books and for idiots web development guides You will not find another internet book this practical or enjoyable for any price The new internet isn t going anywhere but you should Let s get going with us as your guide along this infinitely more diverse Information Superhighway
