AP Art History Study Guide Accepted, Inc - Ap Art History team Accepted, Accepted Inc - Ap Art History Team, 2014-03-03 The current AP Art History exam includes approximately 500 works of art analyzed from a historical perspective. A redesign planned for release for the 2015-2016 school year emphasizes critical analysis of works of art and understanding of relationships among global artistic traditions. The new curriculum for the AP Art History course includes fewer works of art, reducing the total number included in the class from 500 to 250 and incorporates a slightly higher percentage of non-Western works of art. While there are some changes to the overall content and structure of the exam, the skills and focus of the course and exam are largely unchanged. This review guide is intended to meet the needs of students testing in 2014-2015-2016 and beyond.
