Slap,2010-05-28 Families communities and the nation itself were irretrievably altered by the Civil War and the subsequent societal transformations of the nineteenth century The repercussions of the war incited a broad range of unique problems in Appalachia including political dynamics racial prejudices and the regional economy Andrew L. Slap s anthology *Reconstructing Appalachia* reveals life in Appalachia after the ravages of the Civil War an unexplored area that has left a void in historical literature Addressing a gap in the chronicles of our nation this vital collection explores little known aspects of history with a particular focus on the Reconstruction and post Reconstruction periods Acclaimed scholars John C Inscoe Gordon B McKinney and Ken Fones Wolf are joined by up and comers like Mary Ella Engel Anne E Marshall and Kyle Osborn in a unique volume of essays investigating postwar Appalachia with clarity and precision Featuring a broad geographic focus these compelling essays cover postwar events in Georgia Kentucky North Carolina Tennessee West Virginia and Pennsylvania This approach provides an intimate portrait of Appalachia as a diverse collection of communities where the values of place and family are of crucial importance Highlighting a wide array of topics including racial reconciliation tension between former Unionists and Confederates the evolution of post Civil War memory and altered perceptions of race gender and economic status *Reconstructing Appalachia* is a timely and essential study of a region rich in heritage and tradition **A Yankee Horseman in the Shenandoah Valley** David J. Coles,Stephen D. Engle,2012-06-15 In many ways John H Black typified the thousands of volunteers who fought for the Union during the Civil War Born in 1834 and raised on his family s farm near Allegheny Township Pennsylvania Black taught school until he like many Pennsylvanians rushed to defend the Union after the attack on Fort Sumter in April 1861 He served with the Twelfth Pennsylvania Cavalry one of the Union s most unruly maligned and criticized units Consistently outperformed early in the conflict the Twelfth finally managed to salvage much of its reputation by the end of the war Throughout his service Black penned frequent and descriptive letters to his fianc e and later wife Jennie Leighty Black This welcome volume presents this complete correspondence for the first time offering a surprisingly full record of the cavalryman s service from 1862 to 1865 and an intimate portrait of a wartime romance In his letters Black reveals his impassioned devotion to the cause frequently expressing his disgust toward those who would not enlist and his frustration with friends who were not appropriately patriotic Despite the Twelfth Pennsylvania s somewhat checkered history Black consistently praises both the regiment s men and their service and demonstrates a strong camaraderie with his fellow soldiers He offers detailed descriptions of the regiment s vital operations in protecting Unionists

and tracking down and combating guerrillas in particular John Singleton Mosby and his partisan rangers providing a rare first person account of Union counterinsurgency tactics in the Lower Shenandoah Valley In the midst of portraying heated and chaotic military operations Black makes Jennie a prominent character in his war illustrating the various ways in which the conflict altered or nurtured romantic relationships One of the few compilations of letters by a long term Yankee cavalry member and the only such collection by a member of the Twelfth Pennsylvania A Yankee Horseman in the Shenandoah Valley provides new insights into the brutal confused guerrilla fighting that occurred in northwestern Virginia Moreover these letters make a significant contribution toward an emerging consensus that Yankee cavalry often maligned and contrasted with their celebrated Confederate foes became a superior fighting force as the war progressed David J Coles professor of history at Longwood University is the associate editor of the Encyclopedia of Civil War coauthor of Sons of Garibaldi in Blue and Gray and coeditor of the Encyclopedia of the American Civil War Stephen D Engle professor of history at Florida Atlantic University is the author of Yankee Dutchman The Life of Franz Sigel Don Carlos Buell Most Promising of All and Struggle for the Heartland The Campaigns from Fort Henry to Corinth
