

AP Government Summer Assignment 2021

Assignment Overview, Rationale, and Relationship to the Course:

The summer assignment will serve as an introduction to three of the nation's founding documents which students will analyze in greater depth during our first unit of study. This assignment will also introduce students to the type of primary sources they will be analyzing during the semester.

For this assignment, you will be analyzing some of our nation's founding documents. All documents are required readings for the course (as outlined by the College Board). They can be challenging as many of the documents were written in the eighteenth century, but do your best work and be prepared to discuss these documents during the first weeks of school and throughout the year. There are videos to assist you for background, but don't rely on them totally. The documents also make up some of our nine foundational documents to use as evidence on FRQ writing responses on the AP Exam.

Part I: Declaration of Independence Analysis

In the early 1770's, many American colonists began to think Britain, led by King George III, intended to take away many of the freedoms they had previously enjoyed. The colonies sent delegates to form the Continental Congress in Philadelphia to determine an appropriate course of action. After the Revolutionary War began and following attempts at reconciliation, the delegates of the Second Continental Congress began to believe independence was their only option. Thomas Jefferson began to write a first draft of the Declaration of Independence. On July 2, 1776, the Continental Congress voted to declare independence from Britain. Two days later, Congress approved the text of the Declaration of Independence.

Directions: Analyze the [Declaration of Independence](#). Then, answer the questions that follow in complete sentences using specific references to the text. [\[Video Lecture\]](#)

1. What is the purpose of the Declaration of Independence?
2. Consider the text, if there was a [contract](#) to exist between the people and government...
 - What is the government responsibility in that contract?
 - What is the responsibility of the citizenry in that contract?
3. According to the Declaration of Independence, where does a government get its power?
4. What are the three natural rights listed? Does the government assure the protection of those rights today? Explain
5. In your opinion, were the colonists justified in declaring independence?
Explain using specific references to the text. Consider the list of grievances.
