Batavia Peter Fitzsimons, 2011 In 1629 the Batavia is on its maiden voyage to the Dutch East Indies laden with treasure Off the coast of Western Australia it strikes an unseen reef The ship's Commandeur sets out for help whilst Jeronimus Cornelisz decides to take the treasure and execute the passengers Only one man stands in his way **Batavia** Peter FitzSimons, 2011-03-01 a book that can't be put down Toowoomba Chronicle FitzSimons knows how to make words race like eager sled dogs on their homeward run Newcastle Herald The Shipwreck of the Batavia combines in just the one tale the birth of the world's first corporation the brutality of colonisation the battle of good vs evil the derring do of sea faring adventure mutiny ship wreck love lust blood lust petty fascist dictatorship criminality a reign of terror murders most foul sexual slavery natural nobility survival retribution rescue first contact with native peoples and so much more Described by author Peter FitzSimons as a true Adults Only version of Lord of the Flies meeting Nightmare on Elm Street the story is set in 1629 when the pride of the Dutch East India Company the Batavia is on its maiden voyage en route from Amsterdam to the Dutch East Indies laden down with the greatest treasure to leave Holland The magnificent ship is already boiling over with a mutinous plot that is just about to break into the open when just off the coast of Western Australia it strikes an unseen reef in the middle of the night While Commandeur Francisco Pelsaert decides to take the long boat across 2000 miles of open sea for help his second in command Jeronimus Cornelisz takes over quickly deciding that 250 people on a small island is unwieldy for the small number of supplies they have Quietly he puts forward a plan to 40 odd mutineers how they could save themselves kill most of the rest and spare only a half dozen or so women including his personal fancy Lucretia Jansz one of the noted beauties of Holland to service their sexual needs A reign of terror begins countered only by a previously anonymous soldier Wiebbe Hayes who begins to gather to him those are prepared to do what it takes to survive hoping against hope that the Commandeur will soon be coming back to them with the rescue yacht It all happened long ago and it is for a very good reason that Peter FitzSimons has long maintained that this is far and away the greatest story in Australia's history if not the world's FitzSimons unique writing style has made him the country's best selling non fiction writer over the last ten years and he is perfect man to make this bloody chilling stunning tale come alive _____

PRAISE FOR PETER FITZSIMONS Peter FitzSimons is an Australian phenomenon The Canberra Times Meticulously researched well written and incredibly presented Weekend Notes *Islands, Identity and the Literary Imagination* Elizabeth McMahon, 2016-07-09 Australia is the planet's sole island continent This book argues that the uniqueness of this geography has shaped Australian history and culture including its literature Further it shows how the fluctuating definition of the island continent throws new light on the relationship between islands and continents in the mapping of modernity The book links the historical and geographical conditions of islands with their potent role in the imaginaries of European colonisation It prises apart the tangled web of geography fantasy desire and writing that has framed the Western understanding of islands

both their real and material conditions and their symbolic power from antiquity into globalised modernity The book also traces how this spatial imaginary has shaped the modern man who is imagined as being the island's mirror The interrelationship of the island fantasy colonial expansion and the literary construction of place and history created a new man the dislocated and alienated subject of post colonial modernity This book looks at the contradictory images of islands from the allure of the desert island as a paradise where the world can be made anew to their roles as prisons as these ideas are made concrete at moments of British colonialism It also considers alternatives to viewing islands as objects of possession in the archipelagic visions of island theorists and writers It compares the European understandings of the first and last of the new worlds the Caribbean archipelago and the Australian island continent to calibrate the different ways these disparate geographies unified and fractured the concept of the planetary globe In particular it examines the role of the island in this process specifically its capacity to figure a graspable globe in the mind The book draws on the colonial archive and ranges across Australian literature from the first novel written and published in Australia by a convict on the island of Tasmania to both the ancient dreaming and the burgeoning literature of Aboriginal and Torres Strait Islanders in the twenty first century It discusses Australian literature in an international context drawing on the long traditions of literary islands across a range of cultures The book's approach is theoretical and engages with contemporary philosophy which uses the island and the archipelago as a key metaphor It is also historicist and includes considerable original historical research
