Apple Store Richmond Va:

Technocreep Thomas P. Keenan, 2014 Technology is rapidly moving into our bodies writes cyber expert Keenan and this book gives a chilling look ahead into where that road may lead us on a one way trip to the total surrender of privacy and the commoditization of intimacy Here is the definitive dissection of privacy eroding and life invading technologies coming at you from governments corporations and the person next door Take for example Girls Around Me a Russian made iPhone App that allowed anyone to scan the immediate vicinity for girls and women who checked in on Foursquare and had poorly secured Facebook profiles It combined this information in a way never intended by the original poster Going to a Disney theme park Your creepy new MagicBand will alert Minnie Mouse that you re on the way and she ll know your kid s name when you approach her Thinking about sending your DNA off to Ancestry com for some genetic genealogy Perhaps you should think again your genetic information could be used against you This masterful weaving of the negatives and positives of technology makes for a book that is realistic about technology s perils yet optimistic about it s great potential Foreword Reviews
