incident that makes their final year more than a race for glory it s a race against the past Now haunted by what they ve sworn to hide and even as the crisp autumn cross country season gets underway the three boys must balance the pressures of their difficult situation with the weight of their conscience Will they last through a season of high powered invitational races Will they fight like hell each week to cross the finish line their heads held high Will they survive Perfect for fans of sports fiction coming of age and mystery thrillers Pat J Daly s *Sitting Bull Run* captures both the raw emotion of competition as well as the shadows that can linger long after the race is run *Sitting Bull Run* convincingly conveys a world populated equally by privileged old families power hungry religious figures working class fishermen and disaffected soldiers discharged from the war in Vietnam The boys on the team feel the roundest and realest given vivid physical descriptions short torso and long legs and arms that always seemed to be swatting mosquitoes nicknames that can fit just as well for mobsters Fenny Legs Bobby Mumbles an adventurous dynamic that evokes the mythic American boyhoods of Stephen King stories
