**As a Man Thinketh** Associate Professor of Philosophy James Allen, James Allen, 2016-08-08 *As a Man Thinketh* is a literary essay by James Allen published in 1903. It was described by Allen as dealing with the power of thought and particularly with the use and application of thought to happy and beautiful issues. Allen has tried to make the book simple so that all can easily grasp and follow its teaching and put into practice the methods which it advises. It shows how in his own thought world each man holds the key to every condition good or bad that enters into his life and that by working patiently and intelligently upon his thoughts he may remake his life and transform his circumstances. It was also described by Allen as a book that will help you to help yourself, a pocket companion for thoughtful people, and a book on the power and right application of thought.

**As a Man Thinketh** James Allen, 2021-02-07 All that we achieve and all that we fail to achieve is the direct result of our own thoughts. Self control is strength. Right thought is mastery. Calmness is power. James Allen *As a Man Thinketh*. *As a Man Thinketh* is a literary essay by James Allen first published in 1902. In more than a century it has become an inspirational classic selling millions of copies worldwide and bringing faith, inspiration, and self-healing to all who have encountered it. The title comes from the Bible: As a man thinketh in his heart so is he. Proverbs chapter 23 verse 7. As himself, Allen describes it. It shows how in his own thought world each man holds the key to every condition good or bad that enters into his life and that by working patiently and intelligently upon his thoughts he may remake his life and transform his circumstances, and it can be carried in the pocket. Too many mortals strive to improve only their worldly position and too few seek spiritual betterment. Such is the problem James Allen faced in his own time. The ideas he found in his innermost heart after great searching guided him as they will guide you. A True Classic that Belongs on Every Bookshelf

*As a Man Thinketh* James Allen, 2016-07-03 This little volume, the result of meditation and experience, is not intended as an exhaustive treatise on the much-written-upon subject of the power of thought. It is suggestive rather than explanatory, its object being to stimulate men and women to the discovery and perception of the truth that they themselves are makers of themselves by virtue of the thoughts which they choose and encourage. That mind is the master weaver both of the inner garment of character and the outer garment of circumstance, and that as they may have hitherto woven in ignorance and pain

they may now weave in enlightenment and happiness As a Man Thinketh is a land mark achievement This is the book that has inspired virtually every book every written on manifesting wealth and using the power of positive thinking to get what you want A masterpiece      *25+ Self-Help Classics Collection.
