

The image features a dark, moody background with two hands. One hand is positioned at the top, fingers slightly curled as if reaching down. The other hand is at the bottom, palm facing up, fingers spread. The hands are illuminated from the side, creating strong highlights and shadows that emphasize their texture and form. Centered between the hands is the word "Authentic" in a large, white, serif font. Below it, the word "DISCIPLESHIP" is written in a smaller, white, sans-serif font.

Authentic Discipleship Edward Michael Gross, 2013-04-16 We are living in days when as Mike Breen says we are in a discipleship crisis in the Western Church George Barna's studies have shown that there is currently no discernible difference between the lifestyles of many believers and non believers This is the reason for this book to help you fulfill Jesus command to make disciples The book is helpful in at least two ways First the believer can and will grow spiritually by taking on the sessions one at a time to learn what it means to follow Jesus These sessions are meant to be nothing less than opportunities for an encounter with the living Lord Himself You can begin to monitor your own spiritual progress as Christ and His Book become more meaningful to you day by day Secondly the book is a guide to help a disciple maker take a disciple through it step by step so that together they can work through the stages of follow up and the beginnings of discipleship As Josh Hunt a leading guru of the micro church says of the book This book will take you step by step in laying the foundation every Christian needs to live a fruitful abundant Christian life Special attention is given to having assurance at three levels Promise Assurance from the guarantees of God's Word Proof Assurance from the evidences salvation gives in your life and Personal Assurance from the Holy Spirit Author Bio Dr Edward Michael Gross is President of Vanguard Global Network a pastoral training mission in Columbia SC which helps to equip the world's churches to fulfill the Great Commission in disciple making Ed was a pastor for 22 years and has served in world missions for the last 15 years Ed is married to Maxine they have 6 grown children and 11 grandchildren The Grosses live in Lexington SC keywords Church Growth Spiritual Growth Discipleship Bible Study Attributes Of God Holy Spirit Prayer Evangelism Church Leadership Church Workbook

Authentic Discipleship Martin Harris, 2019-02-06 Authentic discipleship is a step by step method for achieving Christian spiritual maturity It is a Bible based process using 2 Peter chapter 1 as its source The Apostle Peter reveals the process at the end of his life where he is expressing his concern for the spiritual well being of his flock The process reveals the actual expectations of the Lord for the spiritual development of Christian people for ministry and how to accomplish it The people were first called Christians at Antioch because they followed the teachings of Christ The term was meant to be derogatory but was never considered so by them They not only followed Him but also actually intended to allow the Living Savior to express Himself through them even as John the Baptist cried out He must increase but I must decrease The more Christlike we can become the greater our discipleship is realized It is the aim of this book to help Christians who so desire to realize their goal as the Lord permits

CRANDALL,2018-02-01 True Discipleship is a fresh approach to the issue of discipleship Although evangelical Christians are fairly united as to the goal of discipleship Christ likeness there is a lack of clear direction as to how to get there **The**

Message of Discipleship Peter Morden,2018-11-15 Soon after Jesus began his public ministry he called his first disciples He would teach and train them and then after his death and resurrection commission and empower them to go to the nations to make more followers The risen Jesus is still calling and sending people today If we heed his call the result can be just as transformative and exciting as it was for the first disciples While there are no explicit occurrences of the term disciple outside the Gospels and Acts with only two further biblical references to followers of Jesus it is Peter Morden s conviction that we need the entire Bible if we are going to be whole life disciples He reflects on Scripture and asks How do we live as committed disciples of Jesus today He explores the foundations resources and practice of discipleship in a range of Old and New Testament texts The result is a well rounded and satisfying picture of Christian discipleship one that is wonderfully attractive as well as deeply challenging With a fully integrated study guide suitable for both individuals and groups The Message of Discipleship will help you to see how the Bible s unified teaching on this vital theme can impact your life today The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture
