relationships and useful concepts for clarifying and refining the emotional meaning behind company strategy and their relationship to corresponding channels Using case study examples from and over a decade of primary research in the area they discuss the process and impact of such emotionally aware channel designs Spanning entrepreneurial start up techniques of wunderkind artist Cj Hendry through to the lucrative retail sector of luxury brand Burberry this seminal book offers multi channel design approach that can show companies how to select design and maintain digital engagements based on their strategy and industry needs Shows businesses how they can better understand and engage with customers digitally Demonstrates how to gain competitive advantage by integrating design methods into corporate strategy Provides multi channel approaches for how businesses can select design and maintain digital engagements Establishes a clear framework for analysing and applying the right strategy for your digital engagement Connecting and engaging with customers is pivotal to business success but in the digital space the old methods just won't cut it With *Affected* you'll find the tools and techniques you need to find your customers where they are

Blurred Transparencies in Contemporary Glass Architecture Aki Ishida, 2020-04-22 *Blurred Transparencies in Contemporary Glass Architecture* brings to light complex readings of transparent glass through close observations of six pivotal works of architecture Written from the perspectives of a practitioner the six essays challenge assumptions about fragility and visual transparency of glass A material imbued with idealism and utopic vision glass has captured architects' imagination and glass's fragility and difficulties in thermal control continue to present technical challenges In recent decades architecture has witnessed an emergence of technological advancements in chemical coating structural engineering and fabrication methods that resulted in new kinds of glass transparencies Buildings examined in the book include a sanatorium with expansive windows delivering light and air to recovering tuberculosis patients a pavilion with a crystal clear glass plenum circulating air for heating and cooling a glass monument symbolizing the screen of personal devices that shortened the distance between machines and humans and a glass building symbolizing the social and material intertwining in the glass ceiling metaphor Connecting material glass to broader cultural and social contexts *Blurred Transparencies in Contemporary Glass Architecture* enlightens students and practitioners of architecture as well as the general public with interest in design The author demonstrates how glass is rarely crystal clear but is blurred both materially and metaphysically revealing complex readings of ideas for which glass continues to stand

When We Are Seen Denise Young, 2024-05-21 From one of the first and few women of color to reach the C suite in Silicon Valley Apple's former chief of HR and first VP of inclusion and diversity comes a heartfelt story of growing up Black and female in a world with little regard for either and a practical road map for embodying the best in yourself and emboldening others along the way You will enjoy reading this book and benefit as a business leader but mostly as a member of the human race Ron Johnson business leader Apple Target JCPenney For her work as a co creator of the Apple Store cultural experience Denise Young has been deemed by leadership experts as one of the most emotionally intelligent leaders

of her era In this stirring narrative part memoir part blueprint for action she shares her vision of what it means to be truly seen at our places of work As a first and only woman of color in boardrooms and leading roles across the Bay Area s booming tech industry Denise was a trailblazer in a business that was never built for her The first black and female senior executive under both Steve Jobs and Tim Cook Denise was often in the room where it happened But within a white male centric professional culture she still had to work harder smarter and differently to be heard In *When We Are Seen* Denise shares insights on using your own story empathy and intuition to unlock the potential in yourself and others Her story serves as both solace and strategy for anyone who has ever felt left out unseen or ostracized anyone interested in upending cycles of exclusion and for those interested in reclaiming our agency in the ongoing quest to thrive and belong Denise argues that bringing your truest self to work from wearing your beloved locs to sharing your artistic passion and in turn holistically seeing the attributes others have to offer is not a passive experience it is a specific skill we can and should build And the result is a deeper understanding of what it means to be inclusive and powerfully human on the job
