Art Money Getting P T Barnum:

The Art of Money Getting or Golden Rules for making Money Phineas Taylor Barnum, 2016-10-26 Those who really desire to attain an independence have only to set their minds upon it and adopt the proper means as they do in regard to any other object which they wish to accomplish and the thing is easily done But however easy it may be found to make money I have no doubt many of my hearers will agree it is the most difficult thing in the world to keep it The road to wealth is as Dr Franklin truly says as plain as the road to the mill It consists simply in expending less than we earn that seems to be a very simple problem PT Barnum **P. T. Barnum - the Art of Money Getting, Or Golden Rules for Making Money** P. t.

Barnum, 2016-12-24 P T Barnum the great American showman of the 19th century wrote this short book about making and keeping money He certainly had life experiences that qualify him for the subject he started a small newspaper in his twenties bought and transformed a museum into a showplace for curiosities built a circus empire that gave performances in America and Europe promoted a performing tour of a singer fell into debt in the 1850s and pulled himself out by lecture tours was a mayor and founded a hospital Excerpts Those who really desire to attain an independence have only to set their minds upon it and adopt the proper means as they do in regard to any other object which they wish to accomplish and the thing is easily done But however easy it may be found to make money I have no doubt many of my hearers will agree it is the most difficult thing in the world to keep it True economy consists in always making the income exceed the out go Unless a man enters upon the vocation intended for him by nature and best suited to his peculiar genius he cannot succeed I am glad to believe that the majority of persons do find their right vocation Yet we see many who have mistaken their calling His advice is indicated by the chapter titles DON T MISTAKE YOUR VOCATION SELECT THE RIGHT LOCATION AVOID DEBT PERSEVERE WHATEVER YOU DO DO IT WITH ALL YOUR MIGHT USE THE BEST TOOLS DON T GET ABOVE YOUR BUSINESS LEARN SOMETHING USEFUL LET HOPE PREDOMINATE BUT BE NOT TOO VISIONARY DO NOT SCATTER YOUR POWERS BE SYSTEMATIC READ THE NEWSPAPERS BEWARE OF OUTSIDE OPERATIONS DON T INDORSE WITHOUT SECURITY ADVERTISE YOUR BUSINESS DON T READ THE OTHER SIDE BE POLITE AND KIND TO YOUR CUSTOMERS BE CHARITABLE DON T BLAB PRESERVE YOUR INTEGRITY **The Art of Money Getting, Or Golden Rules for Making Money** P T Barnum, 2019-10-31 P T Barnum the great American showman of the 19th century wrote this short book about making and keeping money He certainly had life experiences that qualify him for the subject he started a small newspaper in his twenties bought and transformed a museum into a showplace for curiosities built a circus empire that gave performances in America and Europe promoted a performing tour of a singer fell into debt in the 1850s and pulled himself out by lecture tours was a mayor and founded a hospital Excerpts Those who really desire to attain an independence have only to set their minds upon it and adopt the proper means as they do in regard to any other object which they wish to accomplish and the thing is easily done But however easy it may be found to make money I have no doubt many of my hearers will agree it is the

most difficult thing in the world to keep it True economy consists in always making the income exceed the out go Phineas Taylor Barnum was a showman and entertainer best remembered for promoting such celebrated hoaxes as the Feejee Mermaid and for founding what later became the Ringling Bros and Barnum Bailey Circus **The Art of Money Getting** P. T. Barnum,2018-04-03 One of the most important financial books ever written Following the practical advice herein will lead to increased wealth Those who really desire to attain an independence have only to set their minds upon it and adopt the proper means as they do in regard to any other object which they wish to accomplish and the thing is easily done But however easy it may be found to make money I have no doubt many of my hearers will agree it is the most difficult thing in the world to keep it **The Art of Money Getting** P. T. Barnum,2009-01-01 Few people are more uniquely qualified to dispense money making advice than legendary showman entertainer and businessman extraordinaire P T Barnum This book is full of savvy tips and silly but spot on observations from the founder of the Barnum Bailey Circus who once sagely noted that Money is a terrible master but an excellent servant *The Art of Money Getting; Or, Golden Rules for Making Money* P. T. Barnum,2024-03-12 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision *(Illustrated) The Art of Money Getting, Or Golden Rules for Making Money by P. T. Barnum* P T Barnum,2019-10-29 The book is packed with practical advice that we ve heard before but need hearing again Despite this I struggled reading this book because of the disconnect between what I was reading and who Barnum was He talks about valuing your customers and operating with integrity which are very good things However Barnum was a scam artist and hoaxer who manipulated the people who came to see his shows This book is written in the format of listing the golden rules for making money according to PT Barnum There was a movie released recently called The Greatest Showman about PT Barnum s success Even though the book is written from the perspective of an earlier time the terminology was not difficult to apply to today Before the rules are laid out the introduction makes it sound simple and easy to make money It says it s not difficult to make money and the road to wealth is plain But it then explains that it s only easy for people who really understand economics Examples were given of saving on many small expenses that make it feel like you are trying to save more money when many people that do that end up spending more on one thing that is something much more expensive that they could do without The introduction also says that some of the worst reasons people spend more money than they have are due to what can be called sinful behaviors They want to keep up with their neighbors and be seen as successful or they have bad habits like tobacco that cost money and ruins their health or they drink too much that not only cost money and ruins their health but also does not let them think clearly The Art of Money Getting Golden Rules for Money Making written by P T Barnum is a very noble helpful and inspiring read still until this day Barnum is basically listing out the different ways he believes are helpful to not only getting but attaining money as well while going into detail as how to do such The way he gets his point across in the book is surprisingly relatable often telling stories that almost

anyone can relate to His main point in regards to obtaining money is that there are a lot of ways in which one needs to be smart in how they go about and what they do with the money they receive Barnum separates the topics in his book by stating exact phrases that coincide with what you should do with your money such as Avoid Debt Use The Best Tools Advertise Your Business and Preserve Your Integrity It seems that in sectioning off his book in that way he wanted to make it easier for people to find the section that best applies to the circumstance they are currently in

P T Barnum's Art of Money Getting Jeff Coil,2012-09-04 I would imagine that P T Barnum would be just as famous and infamous today as he was in the 1850 s Barnum said of himself I am a showman by profession and all the gilding shall make nothing else of me It is interesting what we remember him for today The Barnum and Bailey Circus wasn t created until he was 61 years old Barnum was a massive serial entrepreneur The list of his ventures would fill pages and pages His failures were infamous But so was his determination to get back up dust himself off and move on often to another town Like entrepreneurs today he saw ways to get money that others either didn t see or didn t want to put the work in to develop
