## **Australia Israel A Diasporic Cultural And Political Relationship:**

**Australia & Israel** Shahar Burla, Dashiell Lawrence, 2015-06-01 Australia and the State of Israel have maintained a cordial if at times ambiguous relationship. The two countries are geographically isolated; strategic economic and cultural interests lie increasingly with Asia for one and with the US and the EU for the other. But for all that divides the two states, there is also much they share. Australia played an important role in the Jewish state's establishment in 1948 and is home to the most Zionist centered Jewish diaspora globally. Jewishness for most Australian Jews has been shaped and defined by engagement with and support for Israel. At the heart of this engagement is a small but thriving Israeli community within the larger multicultural Australia. Australia and Israel: A Diasporic Cultural and Political relationship draws attention to the important historical and contemporary nexus between this diaspora and its imagined homeland. The collection also considers the ways in which these two states mobilise national myths and share environmental challenges. In recent time, relations between the two states have been tested by the illegal use of Australian passports in 2010, the mysterious death of dual national Ben Zygier, and growing disquiet within the ranks of the Australian Labor Party and the Australian Greens over Israel's handling of the Israel-Palestinian conflict. One prominent world-wide issue is the Palestinian BDS Boycotts, Divestments and Sanctions movement, which has attracted sympathy and support that has brought about substantive differences of opinion regarding its legitimacy within the Jewish Australian community. These issues demonstrate the multifaceted and complex picture of two very different nations that nevertheless share an abiding connection. **Political Marketing and Public Diplomacy by Pro-Israel and Pro-Palestinian Advocacy Groups** Andrew Lim, 2022-10-29 This book looks at how both advocacy groups in New Zealand and Australia use political marketing to conduct advocacy and support Israeli and Palestinian public diplomacy and nation branding. The focus lies on their marketing orientation, segmentation, targeting, positioning, STP, and internal marketing practices. The theoretical framework will draw upon several political marketing frameworks and concepts, including the product-sales market oriented framework, the STP process, and Pettit's internal stakeholder marketing approaches. The book examines four case studies: 1. the Palestine Solidarity Network Aotearoa PSNA, 2. the Israel Institute of New Zealand IINZ, 3. the Australia-Israel Jewish Affairs Council AIJAC, and 4. the Australia-Palestine Advocacy Network APAN. To ensure balance and comparison, four groups representing both the pro-Israel and pro-Palestinian camps in NZ and Australia were selected. Other criteria included their broad scope of activity, approachability, and accessibility, as well as connections to state actors through advocacy, public diplomacy, and nation branding. *Boycotting Israel is Wrong* Philip Mendes, Nick Dyrenfurth, 2015-05-01 This is the first progressive book to argue that the BDS movement, boycott, divestment, and sanctions against Israel, is the wrong way to broker peace in the Israeli-Palestinian conflict. Rather, it argues that peace will come only when both Israelis and Palestinians' legitimate claims to statehood are recognised by both sides. The BDS movement, boycott, divestment, sanctions against Israel, has gained traction.

and publicity worldwide for a decade Yet here Philip Mendes and Nick Dyrenfurth two politically progressive commentators argue that BDS is far too blunt an instrument to use in such a complex political situation Instead they critically analyse the key arguments for and against BDS and propose a solution that supports Israel's existence and Palestinian rights to a homeland urging mutual compromise and concessions from both sides

*Jewish Identity in Multicultural Australia* Jennifer Creese, 2023-08-14 This book offers a timely insight into ideas of belonging in multicultural society from a Jewish perspective one which is largely missing from the discourse on multiculturalism There is a current climate in Australia as there is in the United States Europe and elsewhere of rising tensions around migration religious freedom and far right extremism These tensions have been fanned the Israeli Palestine conflict coming under increased international scrutiny in recent months Understanding how Jewish communities attempt to build and guide an understanding of what Jewishness means in contemporary multicultural societies is crucial for supporting the right to safety in diversity not only for Jews but for multiple minority groups In delivering such understanding this book has insights not only in an Australian but a broader international context This book explores how various facets of Jewish life are experienced and expressed in Australia drawing on rich ethnographic and archival research conducted within the mid sized Jewish community in South East Queensland Australia which has never before been examined *Jewish Identity in Multicultural Australia* explores how Jewish identity is manifested and experienced across a wide range of facets religion and religiosity ethnicity and ethnonational identity history and memory antisemitism and racism Zionism and diasporic identity and family and kinship Across these key themes the book builds on a core argument that contemporary Jewish communities work in certain set ways and promote certain set norms within a framework of state multiculturalism to forge a safe supported place for Jewish life practice and identity of all shapes and sizes

*Property, Place and Piracy* Martin Fredriksson, James Arvanitakis, 2017-10-12 This book takes the concept of piracy as a starting point to discuss the instability of property as a social construction and how this is spatially situated Piracy is understood as acts and practices that emerge in zones where the construction and definition of property is ambiguous Media piracy is a frequently used example where file sharers and copyright holders argue whether culture and information is a common resource to be freely shared or property to be protected This book highlights that this is not a dilemma unique to immaterial resources concepts such as property ownership and the rights of use are just as diffuse when it comes to spatial resources such as land water air or urban space By structuring the book around this heterogeneous understanding of piracy as an analytical perspective the editors and contributors advance a trans disciplinary and multi theoretical approach to place and property In doing so the book moves from theoretical discussions on commons and property to empirical cases concerning access to and appropriation of land natural and cultural resources The chapters cover areas such as maritime piracy the philosophical and legal foundations of property rights mining and land rights biopiracy and traditional knowledge indigenous rights colonization of space military expansionism and the enclosure of urban space This book is essential reading

for a variety of disciplines including indigenous studies cultural studies geography political economy law environmental studies and all readers concerned with piracy and the ambiguity of property      *Historical Dictionary of Israel* Bernard Reich, David H. Goldberg, 2016-08-30 Since its creation the State of Israel has been a magnet for attention A country beset by conflict in its region and faced with the need to integrate mainly Jewish immigrants of disparate backgrounds into a modern and advanced democratic state and society Israel has preoccupied observers scholars and journalists since its independence in May 1948 Although a Jewish state Israel is also a democratic state that guarantees the rights of all of its citizens including its large Arab and Moslem minority in law and in practice Israel and its modern history and politics have been the subject of substantial and often highly partisan literature being hotly and vigorously debated both at home and abroad This third edition of *Historical Dictionary of Israel* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1100 cross referenced entries on significant persons places events government institutions political parties and battles as well as entries on Israel's economy society and culture This book is an excellent access point for students researchers and anyone wanting to know more about the various diplomatic and political personalities institutions organizations events concepts and documents that together define the political life of the Jewish state of Israel

**Boundaries, Identity and belonging in Modern Judaism** Maria Diemling, Larry Ray, 2015-09-07 The drawing of boundaries has always been a key part of the Jewish tradition and has served to maintain a distinctive Jewish identity At the same time these boundaries have consistently been subject to negotiation transgression and contestation The increasing fragmentation of Judaism into competing claims to membership from Orthodox adherence to secular identities has brought striking new dimensions to this complex interplay of boundaries and modes of identity and belonging in contemporary Judaism *Boundaries Identity and Belonging in Modern Judaism* addresses these new dimensions bringing together experts in the field to explore the various and fluid modes of expressing and defining Jewish identity in the modern world Its interdisciplinary scholarship opens new perspectives on the prominent questions challenging scholars in Jewish Studies Beyond simply being born Jewish observance of Judaism has become a lifestyle choice and active assertion Addressing the demographic changes brought by population mobility and marrying out as well as the complex relationships between Israel and the Diaspora this book reveals how these shifting boundaries play out in a global context where Orthodoxy meets innovative ways of defining and acquiring Jewish identity This book is essential reading for students and scholars of Jewish Studies as well as general Religious Studies and those interested in the sociology of belonging and identities      **Language and Spirit** Robyn Moloney, Shenouda Mansour, 2022-11-07 This edited book explores stories of linguistic and spiritual identity in the urban and rural Australian landscape It is an innovative mix of thirty six personal narratives and eleven research studies which together offer accounts of the intersection of languages religion and spirituality in people's lives Teachers of Indigenous languages speak of the critical connection between language revitalization the spirituality of Country

and well being Both new and long established diaspora individuals speak of the often complex but vital joint role of language and faith in belonging and heritage The new dimension which the book brings to multilingualism is relevant to all complex global societies Language and Spirit is ideal for both the general reader interested in community languages and interfaith issues and academics in global intercultural studies and Applied Linguistics study wishing to gain a nuanced insight into the Language and Spirit intersection Memory and the Wars on Terror Jessica Gildersleeve, Richard Gehrmann, 2017-10-24

This edited collection aims to respond to dominant perspectives on twenty first century war by exploring how the events of 9 11 and the subsequent Wars on Terror are represented and remembered outside of the US framework Existing critical coverage ignores the meaning of these events for people nations and cultures apparently peripheral to them but which have as shown in this collection been extraordinarily affected by the social political and cultural changes these wars have wrought Adopting a literary and cultural history approach the book asks how these events resonate and continue to show effects in the rest of the world with a particular focus on Australia and Britain It argues that such reflections on the impact of the Wars on Terror help us to understand what global conflict means in a contemporary context as well as what its representative motifs might tell us about how nations like Australia and Britain perceive and construct their remembered identities on the world stage in the twenty first century In its close examination of films novels memoir visual artworks media and minority communities in the years since 2001 this collection looks at the global impacts of these events and the ways they have shaped and continue to shape Britain and Australia s relation to the rest of the world Diaspora Politics Gabriel

Sheffer, 2003-04-10 This book is intended to fill in a gap in the study of modern ethno national diasporas Thus against the background of current trends globalization democratization the weakening of the nation state and massive transstate migration it examines the politics of historical modern and incipient ethno national diasporas It argues that unlike the widely accepted view ethno national diasporism and diasporas do not constitute a recent phenomenon Rather this is a perennial phenomenon whose roots were in antiquity Some of the existing diasporas were created in antiquity some during the Middle Ages and some are modern An essential aspect of this phenomenon is the endless cultural social economic and especially political struggle of these dispersed ethnic groups that permanently reside in host countries away from their homelands to maintain their distinctive identities and connections with their homelands and other dispersed groups of the same nation While describing and analyzing the diaspora phenomenon the book sheds light on theoretical questions pertaining to current ethnicity and politics

### **Australia Israel A Diasporic Cultural And Political Relationship Introduction**

In today's digital age, the availability of Australia Israel A Diasporic Cultural And Political Relationship books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Australia Israel A Diasporic Cultural And Political Relationship books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Australia Israel A Diasporic Cultural And Political Relationship books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Australia Israel A Diasporic Cultural And Political Relationship versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Australia Israel A Diasporic Cultural And Political Relationship books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Australia Israel A Diasporic Cultural And Political Relationship books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Australia Israel A Diasporic Cultural And Political Relationship books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Australia Israel A Diasporic Cultural And Political Relationship books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Australia Israel A Diasporic Cultural And Political Relationship books and manuals for download and embark on your journey of knowledge?

### **FAQs About Australia Israel A Diasporic Cultural And Political Relationship Books**

1. Where can I buy Australia Israel A Diasporic Cultural And Political Relationship books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Australia Israel A Diasporic Cultural And Political Relationship book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
