Auto Biography Of A Yogini:

Autobiography of a Yogini Kamala Easton, Kamala Easton Ph D, 2012-11-01 AUTOBIOGRAPHY OF A YOGINI is the story of the author's spiritual transformation and mystical and tempestuous 7 year relationship with one of the world's most renowned gurus Sri Sri Ravi Shankar. I wasn't raised to become a devotee or follower. I was a black single mother who was raised by a black single mother. Education had been my path to enlightenment, pulling me up out of a chaotic childhood. With a psychology degree from UC Berkeley and a Ph D in Education from UCLA, I spent 20 years in the ashram of higher education. Although I had studied God, I was completely unprepared for contacting God the way I did through this famous and powerful spiritual leader and world figure who has over twenty million followers. Intellectual pursuits became irrelevant as I was consumed by an extraordinary relationship with a man who could read my mind and make his thoughts my own. Unbelievable spiritual powers opened within me. I became able to see, hear, and connect to the Divine at will. The unveiling of these powers was a continual source of surprise to me as they expanded my consciousness of this world. But all of this transcendence occurred against a backdrop of heartache. Although he and I were living out this ancient love inside one of the largest spiritual organizations in the world, we were also just a man and a woman.

Autobiography of an Avadhoota - Part I Avadhoota Nidananda, 2016-10-10 This book presents the incredible journey of Avadhoota Nidananda as he transforms from an inquisitive young man to one who achieves the highest spiritual awakening under the guidance of his spiritual Master. He takes the plunge into the relatively anonymous world of pure spirituality beyond all comfort zones and emotions that an average human being can never imagine. Join us on Nidananda's journey to the unfathomable, unimaginable, and unthinkable as he travels across the length and breadth of India, overcoming all odds to finally reach Gyanganj Shambhala, the causal layer of earth and the world of Avadhootas located somewhere in Tibet. Walking without money, without shelter, without even any clear destination as a wandering monk, surrendered completely to his spiritual Master, he elevates his awareness and establishes himself completely and firmly in the path of Avadhootas. Upon receiving the highest spiritual knowledge, he returns and dedicates his life to serving humanity. Welcome to the journey of a lifetime that takes us through the mind and life of a simple man, a staunch spiritualist, a man of uncanny tenacity and conviction, a super human, a complete disciple who never asked his Master WHY. The exceptional story of a living master Avadhoota Nidananda. The Man. The Vulnerability. The Tenacity. The Determination. The Grace. The Purpose. The Miseries. The Masters. A Masterpiece beyond definitions. The journey of a thinking man into the unthinkable realms of true spirituality, guided by his powerful guru, chiseled through unforgiving lifestyles in the toughest terrains of the Himalayas to great heights of super conscious existence. A modern day epic. A must read indeed. Mohanji.
