Autocratic and Democratic External Influences in Post-Soviet Eurasia Anastassia Obydenkova,Alexander Libman,2016-03-09 As the Ukrainian Crisis shows both political regimes and national borders in Eurasia are still in a state of flux Bringing together literatures on the external influences of democratization the post Soviet space and support for autocracy Autocratic and Democratic External influences in Post Soviet Eurasia provides a comprehensive overview of the interaction of domestic and international politics during times of regime transition Demonstrating the interplay of these forces the book explores the rich variation in motives and channels of autocratic and democratic influences International scholars consider two channels of external influence on regime transition the role of supranational organizations established by non democracies and the role of non governmental organizations and through a set of carefully chosen case studies offer a new theoretical discussion on the phenomenon of multi level regime transition

Autocratic and Democratic External Influences in Post-Soviet Eurasia Anastassia Obydenkova,Alexander Libman,2015-04-01 Bringing together literatures on the external influences of democratization the post Soviet space and support for autocracy Obydenkova and Libman provide a comprehensive overview of the interaction of domestic and international politics during times of regime transition Demonstrating the interplay of these forces the book explores the rich variation in motives and channels of autocratic and democratic influences International scholars consider two channels of external influence on regime transition the role of supranational organizations established by non democracies and the role of non governmental organizations and through a set of carefully chosen case studies offer a new theoretical discussion on the phenomenon of multi level regime transition

Nation-Building and Identity in the Post-Soviet Space Rico Isaacs,Abel Polese,2016-04-14 Nation building as a process is never complete and issues related to identity nation state and regime building are recurrent in the post Soviet region This comparative inter disciplinary volume explores how nation building tools emerged and evolved over the last twenty years Featuring in depth case studies from countries throughout the post Soviet space it compares various aspects of nation building and identity formation projects Approaching the issue from a variety of disciplines and geographical areas contributors illustrate chapter by chapter how different state and non state actors utilise traditional instruments of nation construction in new ways while also developing non traditional tools and strategies to provide a contemporary account of how nation formation efforts evolve and diverge

Neighbourhood Perceptions of the Ukraine Crisis Gerhard Besier,Katarzyna Stoklosa,2016-11-03 Recent events in Ukraine and Russia and the subsequent incorporation of Crimea into the Russian state with the support of some circles of inhabitants of the peninsula have shown that the desire of people to belong to the Western part of Europe should not automatically be assumed Discussing different perceptions of the Ukrainian Russian war in neighbouring countries this book offers an analysis of the conflicts and issues connected with the shifting of the border regions of Russia and Ukraine to show how material and psychological borders are never completely stable ideas

The contributors historians sociologists anthropologists and political scientists from across Europe use an interdisciplinary and comparative approach to explore the different national and transnational perceptions of a possible future role for Russia

Russian Foreign Policy in Eurasia Lilia Arakelyan, 2017-09-08 How has Russia increased its strength and power over the last 15 years By what means did the Kremlin bring Armenia back into its orbit Why did Azerbaijan and Georgia try to avoid antagonizing Moscow Can we conclude that Russia has restored its sphere of influence in Eurasia Employing a case centric research design this book answers these questions by analyzing Russia's foreign affairs in the South Caucasus after the end of the Cold War Exploring the relevance for those affairs of the creation of the Eurasian Economic Union it uses neoclassical realism and regime theories as frameworks Arguing that Russia's material power capabilities guide Moscow's foreign policies in all three South Caucasian states the author points out that Russia responds to the uncertainties of international anarchy by seeking to control its former territory and shape its external environment according to its own preferences This book will be of interest to academics and postgraduate students in International Relations International Political Economy Comparative Politics and Foreign Policy as well as Eurasian Studies and Post Soviet Studies

Strategies and Challenges of Sustainable Development in Eurasia Anastassia Obydenkova, 2024-04-30 This book examines the main environmental challenges and their management in post Soviet Eurasia and China It uncovers international national and subnational dimensions in sustainable development and aims to facilitate understanding of pressing environmental problems in the region While supporting the values and goals of sustainable development at the international level states might employ very different strategies at the national regional and local levels The goal of this edited book is twofold First it aims to advance our understanding of different strategies paying special attention to China and Russia at global national and sub national levels Thus analysis of their strategies across different levels presents a more rounded picture The second goal is to identify at least a few of the most pressing challenges of sustainable development across post Soviet Eurasia and China e g nuclear supply chain emissions environmental conflict management and to attempt to understand their triggers outcomes and potential solutions This book reflects the state of the art before the invasion in Ukraine took place It aspires to develop a better dialogue across different sets of literature in area studies environmental politics and international relations to improve our understanding of obstacles to sustainable development in Eurasia The chapters in this book were originally published as a special issue of Post Communist Economies

Vocabularies of International Relations After the Crisis in Ukraine Andrey Makarychev, Alexandra Yatsyk, 2016-10-26 This book analyses the conflict in Ukraine and Russia's annexation of Crimea covering conceptualisations from rationalist to reflectivist and from quantitative to qualitative Most contributors agree that many of the old concepts such as multi polarity spheres of influence sovereignty or even containment are still cognitively valid yet believe the eruption of the crisis means that they are now used in different contexts and thus infused with different meanings

Crises in the Post-Soviet Space Felix Jaitner, Tina Olteanu, Tobias Spöri, 2018-06-13 The breakup of the Soviet Union led to the creation of

new states and territorial conflicts of different levels of intensity Scrutinising the post Soviet period this volume offers explanations for both the frequency and the intensity of crises in the region This book argues that the societies which emerged in the post Soviet space share characteristic features and that the instability and conflict prone nature of the Soviet Union s successor states can be explained by analysing the post independence history of the region and linking it to the emergence of overlapping economic political and violent crises called Intersecting Crises Phenomena Transformation itself is shown to be a decisive process and while acknowledging specific national and regional characteristics and differences the authors demonstrate its shared impact This comparison across countries and over time presents patterns of crisis and crisis management common to all the successor states It disentangles the process highlighting the multifaceted features of post Soviet crises and draws upon the concept of crisis to determine the tipping points of post Soviet development Especially useful for scholars and students dealing with the Soviet successor states this book should also prove interesting to those researching in the fields of communist and post communist Studies Eurasian politics international relations and peace and conflict studies

Russia, EU and the Post-Soviet Democratic Failure Bidzina Lebanidze, 2019-05-22 By studying the influence of the two main external actors in post Soviet space the EU and Russia this study contributes to the increasing body of literature that studies the causes of democratic recession and authoritarian backlash in post Soviet states and the role of regional actors in these processes Empirically the study finds the EU to be both a democracy promoting and democracy hindering actor in post Soviet states Russia s impact on the other hand is far more negative than the literature on democratization and autocracy promotion typically suggests It negatively affects both the quality of democracy of post Soviet states and limits the EU s options for promoting democracy in its neighborhood

Euro-Atlantic Discourse in Georgia Frederik Coene, 2016-04-14 How have discourses of Euro Atlanticism been used in domestic and international affairs by the political elite in Georgia After the 2003 Rose Revolution as relations with Russia soured a Euro Atlantic orientation portrayed as a single and coherent strategy became the cornerstone of Georgian foreign policy as well as a model for domestic reforms This promise of a prosperous future offered new hope to the Georgian population Scepticism or critical thinking towards President Saakashvili and his government were equated to pro Russian treason and pro western orientation and impressive reforms promoted as being modelled along European standards emerged simultaneously with an outspoken rhetoric and active symbolism References to Europe and the Euro Atlantic structures became ubiquitous as European flags were brandished throughout the country Addressing a gap in the existing literature the author examines a large volume of data extracted from news items from 20 different Georgian and International media channels over a ten year period Through this he identifies patterns in the discourse to explain the intentions of the Georgian elite and examines the effectiveness of the rhetoric
