An Early Afterlife Poems Norton Paperback:

An Early Afterlife Linda Pastan, 1996 She is always exhilarating for a reader and very educational for a writer She just happens to be one of the creators among current poets alive and surprising and deft William Stratford **Tri-quarterly**, 1995 **Poetry** Harriet Monroe, 1996 *The Southern California Anthology*, 1995 **Eye of My Heart** Barbara Graham, 2009-04-07 New York Times Bestseller Finally a look at grandmothering that is decidedly unsentimental These clear eyed essays offer humor and insight as they take on the multigenerational lives many of us now lead Cokie Roberts author of *We Are Our Mothers Daughters* In this groundbreaking collection twenty seven smart gutsy writers explode the clichés and tell the real stories about what it's like to be a grandmother in today's world Among the contributors Judith Viorst exposes the high stakes competition for Most Adored Nana Anne Roiphe learns to keep her mouth shut and her opinions to herself Elizabeth Berg marvels at witnessing her child give birth to her child Judith Guest confesses her failed attempt to be the perfect grandmother Jill Nelson grapples with unforeseen mother daughter tensions Ellen Gilchrist reveals how grandparenthood has eased her fear of death Beverly Donofrio makes amends for her shortcomings as a teenage mother Bharati Mukherjee transcends her Hindu upbringing to embrace her adopted Chinese granddaughters Mary Pipher deconstructs the role of grandmother in our changing world **Forthcoming Books** Rose Arny, 2001 *The Life of Rachel Speght* Helen M. Stringer, 2025-03-28 In 1617 Rachel Speght caused a sensation when at the age of nineteen she published a polemic in defence of women under her own name Daring to identify herself as a forward woman she repudiated the prevailing misogyny of her day However the power of her words died with her and for over 350 years she was lost from view Since the rediscovery of her works in the 1980s Speght has become a familiar name in Renaissance literature Nevertheless almost fifty years after her re emergence the woman behind the works remains little known This book explores Speght's life from her formation in the turbulent world of Jacobean London to her last years as a displaced person within a Suffolk community torn apart by religious strife Considering her as a writer and polemicist but also as a public housewife the book reveals a courageous thinker and protagonist One of the defining authors of what Christina Luckyj has described as the radical politics of the female voice in early Stuart England and one of the few clergy wives to speak out in defence of her faith amid the chaos of the Civil War Rachel Speght emerges as one of the most compelling female personalities of her age **The Publishers Weekly**, 2000 **British Bulletin of Publications on Latin America, the Caribbean, Portugal and Spain**, 1993 **Books in Print**, 1981

An Early Afterlife Poems Norton Paperback Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable.
