Sacrilege Hugh Halter, 2011-10 Missional expert challenges the all too familiar religiosity found in many churches and helps readers re envision authentic faith by presenting an unvarnished picture of Jesus **The Meaning of Missional** Dick Wiedenheft, 2018-09-17 Confusion abounds regarding what it means to be missional Is it about social action An emphasis on outreach Being organic instead of program driven This book provides succinct clearly written and biblical answers With the theological insight of a scholar and the warm personal illustrations of a pastor Dick Wiedenheft shares insights and experiences gained over his own fifteen year missional journey What does missional mean Why is it important How will it change my life or my church What are some simple ways to begin After reading this book you will know what it means to be missional why becoming missional is so important and what practical steps you can take to begin **AND** Hugh Halter, Matt Smay, 2010-04-27 It s time to stop asking the old questions about how to do church better and instead ask how churches can more effectively participate in and grow God s kingdom **AND** helps Christian leaders recognize the best in different church models and see how to incorporate these values into a cohesive church movement By the numbers the American church enjoys the resources to profoundly impact the Kingdom But despite the rapid growth of these evangelical movements the church in the West is in decline A growing schism has emerged between the movement with a strong emphasis on attracting people and the more missional communities that focus on releasing people into ministry Church resource specialists Hugh Halter and Matt Smay have been observing these different church models and they challenge the idea that churches have to choose between them between the attractional and missional approaches to ministry With professional insight and practical advice Halter and Smay dial in on how to bring together the very best of the attractional **AND** missional models for church ministry by exploring The balance between gathering a community together **AND** scattering them into the world The harmony between centralization **AND** decentralization in church structure The mindset necessary to invest in both the traditional **AND** the innovative The drive to maintain both a vision for the future **AND** a depth of community for the present As churches begin to develop these **AND**s they will be better positioned to influence the world according to the design of God instead of the whims of the people or the pride associated with production *Missional. Monastic. Mainline.* Elaine A.
