Men Quartet plus a bonus novella The Merry Marquis Through the beauty of music brings love and the will to live a life lost It is only at the pianoforte with beautiful music flowing from her fingertips that Teresa Seton is happy New to English society she feels awkward and unsure of herself Only the attentions of her handsome neighbor can convince her that she is where she belongs a stolen kiss proves that he means what he says But the kiss is witnessed and the pair are forced to marry for propriety's sake Once known as the Merry Marquis Richard the Marquis of Merrick now lives the life of a recluse Finding a beautiful stranger at his pianoforte strikes a chord within him bringing back feelings he thought were lost with the passing of his wife He is mesmerized by Teresa and her beautiful music but can he convince her and himself that he can live and love again A Dandy in Disguise Can he lose the disguise and find himself St John Fotheringay Phipps has nearly forgotten who he truly is As the dashing amusing dandy known to all in society as Fungy he has hidden himself behind a mask of merriment But he is reminded that there are pleasures beyond society when he finds himself feeling responsible for the innocently lovely and fiercely intellectual Rose the daughter of a famed archaeologist and her charming if socially inept family Rose Grace knows that she cannot gamble with her future She has suddenly been thrust into the role of mother to her two young sisters companion to her brilliant distracted father and family savior She needs to do the right thing to forget her own desires and quickly find a wealthy husband before the creditors come beating at their door Then why is she distracted by the foppishly handsome Fungy who seems so very irresponsible and pleasure loving Surely he's the last person whose advice she should follow Bonus Story A Spanish Dilemma Robert Seton isn't just going to sit around spending money on silly amusements when there's a war going on But since his father has refused to buy him a commission in the army Robert is thrilled when he is given a diplomatic post to observe treaty negotiations in Basel Switzerland between France and Spain Finally he'll have a role to play in order to help defeat the French Isabella Guzman is very happy to have accompanied her father to Basel to support him as he negotiates with the French But now that the negotiations are over the French seem to need a little push to get them to sign what they've agreed to Isabella is determined to give it to them she wants to go home Fighting the French is so much more pleasant when you have an intelligent and attractive ally but with Robert looking forward to returning to England and Isabella going home to Spain things are going to get complicated
