

An impressionistic painting of a person sitting at a table, looking out a window at a winter scene. The person is seen from behind, wearing a dark blue jacket. On the table are a white teapot, a small cup, and a plate with a yellow fruit. The window shows a snowy landscape with bare trees and several birds perched on branches. The scene is framed by red curtains.

those who use these financial products The Future of High Cost Credit explores the theoretical grounding policy initiatives and interdisciplinary perspectives associated with high cost credit making a novel and insightful contribution to the existing literature The problems with debt extend far beyond the legal sphere and the book will therefore be of interest to many other academic disciplines as well as for those working in public policy and the third sector [Freedom](#) Nigel Warburton,2001

Freedom is an introductory textbook to the arguments about individual freedom by acclaimed textbook author Nigel Warburton **Critical Theory, Democracy, and the Challenge of Neoliberalism** Brian Caterino,Phillip

Hansen,2019-08-22 With a few exceptions critical theorists have been late to provide a comprehensive diagnosis of neoliberalism comparable in scope to their extensive analyses of advanced welfare state capitalism Instead the main lines of critical theory have focused on questions of international justice which while no doubt significant restrict the scope of critical theory by deemphasizing linkages to larger political and economic conditions Providing a critique of the Frankfurt School Brian Caterino and Phillip Hansen move beyond its foundations and call for a rethinking of the bases of critical theory as a practical freedom creating project Outlining a resurgence of neoliberalism the authors encourage a fresh nuanced analysis that elucidates its political and economic structures and demonstrates the threats to freedom and democracy that neoliberalism poses They propose the reformulation of a radical democratic alternative to neoliberalism one that critically addresses its limitations while promoting an enhancement of communicative and social freedom [Issues in Political Theory](#)
