Another Time Another Place:

Another Time, Another Place Larry L. Harshbarger, 2004-11-11 It was a time of extreme peril The Great Depression was winding down and World War II was starting The author witnessed the Greatest Generation first hand as he saw many young men including his older brother leave town and go off to war On the home front there developed a closeness and support of family friends and neighbors not seen before or since Through good and bad times the towns young boys hiked fished hunted and trapped in the streams fields forests and mountains surrounding their homes It was truly an era that will never be again

Another Time, Another Place Gordon E. Jenkins, 2003-05-07 Two young people one white and one deemed black products of their environment separated by the rigid inhumane caste system of the Jim Crow South meet by chance bond and begin a forbidden relationship which nurtures and grows even when they attempt to terminate it knowing the potential consequences if they are discovered As they secretly flaunt the laws and traditions of the day they aggressively pursue their individual ambitions to escape the equally binding economic shackles As their commitment to each other becomes stronger they become bolder and challenge the status quo in ways that cannot be ignored by the power structure Their actions coupled with fate trigger unforeseen events with tragic consequences

Another Time Another Place Hyla B. Garlen, 2001-04-12 Victoria a time traveler must find someone to send back to the 14th century to retrieve an amulet without which she cannot survive She finds Laura a computer programmer who has been working on a virtual reality program that takes place in a 14th century castle With no time to really prepare her Victoria sends Laura back Here she encounters refugees from the plague and an omnipotent Lord who wants to marry her off The book brings to life a medieval world and the people in it where there are no real clocks no privacy and the concept of human rights is unknown To Laura the world around her is as alien as life would be on a distant star Constantly on her guard she can only hope that Victoria realizes her plight and send help before it's too late

Another Time Another Place Gerald Chatanow|Bernard D. Schwartz, 2000-12-15 The Brownsville East New York neighborhood of the 1930 s 40 s and 50 s is now but an almost faded memory a time warp as it were Today it is a neighborhood that has been eviscerated and exists only as a geographic locale Through the collective memories of the famous and the not so famous Jerry Chatanow and Bernie Schwartz have elicited and chronicled a treasure trove of anecdotes and remembrances that bring back to life a once vibrant and exhilarating neighborhood The authors vividly transport the reader back to a bygone era of street games egg creams mello rolls and knishes patriotism at the home front plush movie palaces the Dodgers the Knicks boxing venues old time radio and the neighborhood settlement houses with its open doors waiting to welcome the teeming masses Anyone from small town or big city who was ever enriched by the nurturing warmth the loyalties and camaraderie of a neighborhood will enjoy this major contribution to the oral history of America This is a story told within the context of this country's transformation from The Great Depression to World War Two to Baby Boomer prosperity The authors were both observers of and participants in what in retrospect proved to be a
