## FOREWORD

Welcome to the EUROCOPTER AS350B3 Electrical Systems Course. This course was designed to instruct maintenance personnel on the AS350B3 helicopter only. Due to the unlimited variations of avionics installations, this course content will focus on the AS350B3 model airframe electrical systems and not relate to any avionics systems.

Reproduction or translation in whole or part of the contents of this publication without permission of American Eurocopter is not authorized.

## ANNOTATION TO THE TRAINING MANUAL

This training manual is not a subject for revision service. It is the manufacturer's practice to improve continuously its products and therefore the right is reserved to make without notice alterations in design or manufacture which may be deemed necessary.

This training manual reflects electrical equipment systems that are standard production systems of the AS350B3. Optional and aftermarket equipment will not be discussed in the manual.
