Conclusion Aaron Kaplan, 2009-07-15 We all heard of the crash at Roswell and most of us heard and read regarding the subject of alien abductions in one form or another For many of us who attended Bible study or religious schools we learned of the fallen angels which sometimes are referred to as the Nefilim We learned about Noah s ark Moses and his brother and spokesman Aaron and the pyramids And in the twentieth century we all know about the two atomic bombs one that was dropped over Hiroshima and the other dropped over Nagasaki in Japan at the end of World War II But until you read in simple English without using any fancy math formulas to confuse you until you read this book you ll never know the truth the plain truth as it occurred and now as I see it after I interpreted certain records including some parts of the Bible that allegedly may be I repeat may be incomplete due to missing information that we must now be aware of and need to know To write this book I researched many sources of information read the works of such great writers such as Zecharia Sitchin Michael Tsarion Glenn Kimball Lynn Marzulli Patric Heron and more reviewed all the records available to me from other numerous books and many Internet sites television shows and from listening to many very popular midnight radio talk shows

A New Order of the Ages Collin Robert Bowling,2011 For millennia the human race has been controlled and manipulated by forces beyond our own dimension or awareness A carefully managed human extra dimensional breeding program has produced a hybrid slave race that isn t aware of its true origins or fate Few know that these shadow puppeteers are actually in control or that they even exist They are not human but then again neither are we As the epic battle of consciousness expands into the outer dimensions we know that one thing is for certain When the Liberty Bell rings once again their empire will be reduced to a heap of ashes There will be an army of forces backed by the highest of forces in the heavens which will conduct this re awakening of the masses This story recounts the takeover of planet Earth by the Snake of Zion and shares everything you need to know to be truly free The battleground is within each of us and our captors are but a reflection of humanity Unless we change ourselves how will the reflection be changed Hopefully after this enduring encounter deep into the rabbit hole you will realize how this reality has been manipulated by forces in the fourth dimension In order to succeed we must propel ourselves through the heart chakra and into the fifth dimension where the beloved Terra will find the peace and dignity that she deserves The fate of the world hangs in the balance All we have to do now is make a choice

A New Order of the Ages Collin Robert q Bowling,2011-08-01 Evil has been discharged hither and thither and as a result a war is being waged between the Light and the Dark Powerful occult reptilian bloodlines have commandeered the corporate mass media and the military industrial complex the everyman no longer a free entity Why these torturing gifts and wherefore lent to the people No reason except for the desire to dominate and suppress It is an inkling the beasts of prey within man and reptile cannot control Secret societies are the gatekeepers to a much greater secret that encompasses extraterrestrials and cultures spanning across dimensions The labyrinth has already been entered next stop a closer inspection at money and the big business of Big Brother Are there more cards up the magicians sleeve Only one and that is the possibility for enlightenment
