# Atonement Anything He Wants 1

**Christopher Armitage**

## **Atonement Anything He Wants 1:**

*Atonement and Ethics in 1 John* Christopher Armitage, 2021-06-17 Christopher Armitage considers previous theological perception of 1 John as a text advocating that God abhors violence contrasted with biblical scholarship analysis that focuses upon the text's birth from hostile theological conflict between insiders and outsiders with immensely hostile rhetoric directed towards antichrists and those who have left the community Armitage argues that a peace oriented reading of 1 John is still viable but questions if the commandment that the community loves each other is intended to include their opponents and whether the text can be of hermeneutic use to advocate non violence and love of one's neighbour This book examines five key words from 1 John *hilasmos sfazo anthropoktonos agape and adelphos* looking at their background and use in the Old Testament in both Hebrew and the LXX arguing that these central themes presuppose a God whose engagement with the world is not assuaging divine anger nor ferocious defence of truth at the expense of love but rather peace and avoidance of hatred that inevitably leads to violence and death Armitage concludes that a peacemaking hermeneutic is not only viable but integral to reading the epistle

**A Multi-Intentioned View of the Extent of the Atonement** Gary L. Shultz, 2014-01-07 Christians strongly disagree about the extent of the atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional understandings they share one thing in common both believe that Jesus died for a single intended purpose But what if God's intentions in the atonement are multiple not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins

*The Talmud of Jerusalem* Moise Schwab, 2022-04-26 The Jerusalem Talmud probably originated in Tiberias in the School of Johanan ben Nappaha It is a compilation of teachings of the schools of Tiberias Sepphoris and Caesarea It is written largely in a western Aramaic dialect that differs from its Babylonian counterpart

**The Halakhah** Jacob Neusner, 2000 The Halakhah embodies the complete Jewish Law and contains commandments and guidelines for day to day living The original commandments given by God to the Jewish people were enhanced by rabbis to offer a detailed framework to guide the lives of all Jews In this complete all encompassing encyclopaedia of the Halakhah the various laws are classified in such a way that a systematic and coherent structure is obtained Each entry of the Halakhah is presented in a logical fashion Where applicable the original biblical wording is given extended with literal abstracts from the Torah Next problems and questions that may arise from that law are stated and any additional information given Finally each entry gives comprehensive explanations and recommendations

as to how these laws are to be observed in daily life where to be and where not to be what to do and what not to do what to say and what not to say The Halakhah or standard Jewish Law combines the Mishnah about 200 CE the Tosefta about 300 CE and the two Talmuds about 400 600 CE for the Land of Israel and Babylon respectively Volumes I and II contain entries pertaining to the Jewish people in relationship to God Volume III explains how the Jewish people can restore and maintain their society in accordance with the Torah as it is explained by the rabbis In Volumes IV and V of this study we take up the life of the Jewish household in their encounter with God The Encyclopaedic account therefore moves from regulating relationships between Israel and God to establishing stable and equitable relationships among Israelites and finally to actually living the Halakhah

The Glory of the Atonement Charles E. Hill, Frank A. James III, 2004-03-30 Editors Charles E Hill and Frank A James III bring together a group of evangelical biblical scholars and historical and systematic theologians to explore the doctrine of the atonement for a new millennium

**The Mishnah** Herbert Danby, 2022-04-26 The Mishnah or the Mishna is the first major written collection of the Jewish oral traditions which is known as the Oral Torah It is also the first major work of rabbinic literature The Mishnah was redacted by Judah ha Nasi at the beginning of the 3rd century CE in a time when according to the Talmud the persecution of the Jews and the passage of time raised the possibility that the details of the oral traditions of the Pharisees from the Second Temple period would be forgotten Most of the Mishnah is written in Mishnaic Hebrew but some parts are in Aramaic
