6 A Search for Answers Reveals a Mystery The man Halla dreams of making a future with has questions about her past but how can she tell him the answers when she doesn't know them herself She never planned to confront her parents but she is desperate to know what really happened Eleven years ago Halla Jenkins climbed out a window at her parents house fell to the ground in a mangled heap and fled Eventually she found Lily's House and a real family Now as a successful online reporter and a blogger with a quarter million followers she doesn't think much about her roots But the man she's fallen for online and dreams of making a future with has questions and how can she tell him the answers when she doesn't know them herself She never planned to confront her parents but she is desperate to know what really happened The chance of meeting Oliver in person for first time makes it all worth the risk Elsie Reynolds has had the same best guy friend for ten years Sure there were a few times when he forgot they were only friends but setting him up with one of her foster sisters always fixed that problem For the most part being friends was all either of them ever needed But now Payden is moving on and Elsie isn't quite sure how she feels about losing him Especially if it's to the sweet looking new teacher at the school where he works Maybe kissing him is just what she needs to get them back into the friend zone Kendall Brenwood was already an adult when she found Lily's House but it changed the direction of her life and she is finally living her dream helping others as a nurse Only sometimes does she grieve what she lost even though she knows she made the right choice When a new resident at the hospital catches her eye she isn't sure she's ready to find love Why won't he take no for an answer Would he still want her if he knew her secret She's about to find out Join these three roommates from Lily's House as they take the road less traveled and find love Cowboys Can't Lie Lily's House Book 7 Sometimes Love Needs a Little Help Tara Levine hates everything about cowboys from their boots and spurs to their funny stiff hats But when she goes to the Silver A Ranch to ask for a favor in behalf of the abandoned girls at Lily's House she meets Crew Ashman and finds herself falling hard Everything about Crew is different than she expected But there's a secret in his past that is driving them apart and if he won't share it with her she'll take matters into her own hands Because maybe just maybe this cowboy might be the one who's strong enough to stay Rylee Williams didn't want to be a bridesmaid at her estranged sister's wedding the sister who'd grown up with the family she was supposed to have So why does she find herself in a dress two sizes too big and with no date for the wedding Maybe it's time to give up on her family once and for all But a greased pig contest and handsome cowboy Beck Seeger might just change her mind both about sticking it out and taking a chance at love Tara and Rylee have been best friends since they met as teens at Lily's House Now the foster sisters discover that sometimes love with a cowboy needs a little help from a horse and a pig Clean contemporary romance with a satisfying ending no cliffhanger Feel good romantic books that lifts while at the same time addressing serious issues and deeper family connections You will love Lily and her girls There are sequels that tell the stories of other characters connected with Lily's House As one reviewer says these are Ideal for fans of Robyn Carr Mariah Stewart Sherryl Woods and Susan Wiggs Editorial Review Readers seeking inspirational women's stories with a broader

focus than relationship building moments will find House Without Lies just the ticket It s filled with many different characters and diverse circumstances but the overall plot holds true to its intentions and presents a vivid story made all the more immediate by Rachel Branton s choice of using the first person to capture Lily s daily life and feelings Lily s accustomed to fighting for others can she fight for herself as well An engrossing read it s also a pleasure to add a note that while House Without Lies is part of a series it s actually a fine stand alone story that neatly concludes its plot Readers will want more but won t be required to hang off a cliff waiting for resolution and that s a huge bonus to the first book in this series D Donovan
