life in order Her new normal friends from school get along with her celebrity friends and she couldn't be happier But right when life is settling down her friends all fall for the same guy hot quarterback Adam And when Flan's BFF teen starlet Sarah Beth decides to throw a costume party her friends each vow to kiss their football prince by midnight Can she convince Meredith and Judith that girlfriends are way more important than any guy or will Flan find herself dangerously stuck in the middle All will be revealed in this second installment of an enticing new series **Only Child** Andrew Vachss,2002-10-08 It's been years since Burke has been home years since he's seen his family and worked in the underbelly of New York City Although his appearance has changed his reputation grown dusty and his wallet thin his skills and his crew remain razor sharp So when he is contacted by a mob boss to investigate the murder of his illegitimate daughter Vonni Burke takes the job and begins searching for an unspeakably brutal killer Posing as a casting director looking for tomorrow's stars Burke reaches out to the high school students who knew Vonni and may know the identity of the killer Before long he unearths a perverse enterprise a young director pursuing a brutal new type of cinema verit *Perfect Match* J. Minter,2011-10-01 After a semester at a public high school Flan Flood has gone back to her roots now attending the private school Tony on the Upper East side She's reunited with her old best friend Camille she's managed to keep her arch enemy Kennedy at bay and she's kinda sorta dating a really great new guy But drama is always just around the corner and Flan's life is about to be shaken up again This latest in the Inside Girl series promises to be just as fun and entertaining as its predecessors So You Want to Be a Scriptwriter and Make a Million Dollars Irving Elman,2000 This book was written to fill a need when I started teaching script writing at Santa Monica College and my students asked me to name a book on the subject I could recommend After voluminous reading I could find nothing which was completely satisfactory Most of it seemed to have been written by people who had never written professionally for films and or television and thus had no first hand knowledge of it from personal experience The books were written from hearsay and observation like trying to learn how to swim by standing at the edge of a pool and watching others do it without ever getting into the water yourself Or trying to fly by flapping your arms like a bird It doesn't work They have no hands on or wings on concept of how commercially produceable scripts are actually put together and then marketed and are of no real practical help to the beginning writer or anyone else who's interested Only a swimmer or a bird or a writer who has made his living at it really knows how his special trick is done and can pass it on to others And so here it is Enjoy while you learn Because if writing isn't fun it's no way to make a living Rob banks instead but try not to get caught
