Alam, Syed Shah, Haq, Mohammad Ridhwanul, Kokash, Husam Ahmad, Ahmed, Saif, Ahsan, Mst. Nilufar, 2025-05-22 Business research methods are essential tools for organizations seeking to make informed decisions, solve problems and gain a competitive edge in markets. These methods contain a range of approaches that guide the collection, analysis and interpretation of business data. By employing various research strategies like surveys, case studies, experiments and observational techniques, businesses can gain insight into consumer behavior, market trends, operational efficiency and strategic performance. The applications of business research span from product development and customer satisfaction analysis to risk assessment and organizational change, highlighting its role in evidence-based management and strategic planning. **Approaches and Applications of Business Research Methods** explores the multifaceted world of business research, addressing the critical steps, methodologies and technologies that underpin successful studies. It examines common problems faced by researchers such as selecting appropriate methodologies, dealing with data complexities and achieving publication success. This book covers topics such as data science, qualitative research and social sciences and is a useful resource for business owners, librarians, educators, academicians, researchers and data scientists. **Public Administration in Ethiopia**

Bacha Kebede Debela, Geert Bouckaert, Meheret Ayenew Warota, Dereje Terefe Gemechu, 2020-12-01 Building an effective, inclusive and accountable public administration has become a major point of attention for policymakers and academics in Ethiopia who want to realise sustainable development. This first handbook on Ethiopian Public Administration is written by Ethiopian academics and practitioner academics and builds on PhD studies and conference papers including studies presented at the meetings of the Ethiopian Public Administration Association (EPAA) established in 2016. Public Administration in Ethiopia presents a wide range of timely issues in four thematic parts: Governance, Human Resources, Performance and Quality, and Governance of Policies. Each of the individual chapters in this volume contributes in a different way to the overarching research questions: How can we describe and explain the contexts, the processes and the results of the post-1990 politico-administrative reforms in Ethiopia? And what are the implications for sustainable development? This book is essential for students, practitioners and theorists interested in public administration, public policy and sustainable development. Moreover, the volume is a valuable stepping stone for PA teaching and PA research in Ethiopia. **Research Anthology on**

Enhancing Research Output in Higher Education: Research Proposals, Profiles, and Publishing Mdikana, Andile Alfred, 2024-12-17. Research output in higher education plays a crucial role in advancing knowledge, driving innovation, and establishing academic credibility. Faculty and researchers produce various forms of output, including peer-reviewed articles, books, conference papers, and collaborative studies, each contributing to the academic reputation of their institutions. This output not only showcases individual expertise but also enhances the university's profile, attracting funding and fostering partnerships. Ultimately, strong research output is central to a university's mission and its role in addressing global challenges.

Enhancing Research Output in Higher Education: Research Proposals, Profiles, and Publishing provides strategies for strengthening academic research production, from drafting effective research proposals to building impactful researcher profiles and navigating the publishing process. It explores best practices for showcasing expertise and maximizing visibility and influence of research through targeted dissemination efforts. Covering topics such as academic authors, problem identification, and thesis publishing, this book is an excellent resource for academicians, faculty of higher education, researchers, administrators, educators, and more.

Handbook of Research on Innovative Techniques, Trends, and Analysis for Optimized Research Methods Wang, Viktor, Reio Jr., Thomas G., 2017-12-30. Information acquisition and management has always had a profound impact on societal and organizational progression. This is due to higher education programs continuously expanding, students and academics being engaged in modern research, and the constant evaluating of current processes in education for optimization for the future. The Handbook of Research on Innovative Techniques, Trends, and Analysis for Optimized Research Methods is a comprehensive reference source focused on the latest research methods currently facing educational technology and learners. While highlighting the innovative trends and methods, readers will learn valuable ways to conduct research and advance the understanding of ideas based on the results of their research. This publication is an important asset for teachers, researchers, practitioners, and graduate students looking to gain more knowledge on research trends and their applications.
