The Roman Sylvain Reynard, 2016-12-06 Raven and her sister Cara are at the mercy of a small detachment of Florentine vampires who are delivering them as a peace offering to the feared Curia in Rome. Though she's unsure William survived the coup that toppled his principality, Raven is determined to protect her sister at all costs, even if it means challenging Borek, the commander of the detachment. In an effort to keep Raven from falling into the hands of his enemies, William puts himself at the mercy of the Roman, the dangerous and mysterious vampire king of Italy. But the Roman is not what he expects. Alliances and enmities will shift and merge as William struggles to save the woman he loves and his principality without plunging the vampire population into a world war.
