Buzzfeed Youtube Colors:

The Colors of Photography Bettina Gockel, 2020-12-16 The Colors of Photography aims to provide a deeper understanding of what color is in the field of photography Until today color photography has marked the here and now while black and white photographs have been linked to our image of history and have formed our collective memory However such general dichotomies start to crumble when considering the aesthetic cultural and political complexity of color in photography With essays by Charlotte Cotton Bettina Gockel Tanya Sheehan Blake Stimson Kim Timby Kelley Wilder Deborah Willis

Photographic contributions by Hans Danuser and Raymond Meier Social Media Regina Luttrell, 2018-08-02 Updated to reflect the latest innovations this third edition of Social Media helps readers understand the foundations of and principles behind social media manage and participate within online communities and succeed in the changing field of modern public relations *New Power* Jeremy Heimans, Henry Timms, 2018-04-03 From two influential and visionary thinkers comes a big idea that is changing the way movements catch fire and ideas spread in our highly connected world For the vast majority of human history power has been held by the few Old power is closed inaccessible and leader driven Once gained it is jealously guarded and the powerful spend it carefully like currency But the technological revolution of the past two decades has made possible a new form of power one that operates differently like a current New power is made by many it is open participatory often leaderless and peer driven Like water or electricity it is most forceful when it surges The goal with new power is not to hoard it but to channel it New power is behind the rise of participatory communities like Facebook and YouTube sharing services like Uber and Airbnb and rapid fire social movements like Brexit and BlackLivesMatter It explains the unlikely success of Barack Obama's 2008 campaign and the unlikelier victory of Donald Trump in 2016 And it gives ISIS its power to propagate its brand and distribute its violence Even old power institutions like the Papacy NASA and LEGO have tapped into the strength of the crowd to stage improbable reinventions In New Power the business leaders social visionaries Jeremy Heimans and Henry Timms provide the tools for using new power to successfully spread an idea or lead a movement in the twenty first century Drawing on examples from business politics and social justice they explain the new world we live in a world where connectivity has made change shocking and swift and a world in which everyone expects to participate **Die**

neuen Mächte - New Power Jeremy Heimans, Henry Timms, 2018-10-22 New Power vs Old Power wer setzt sich durch In Wirtschaft und Politik findet vor unseren Augen eine dramatische Umwälzung statt deren konkrete Folgen wir jeden Tag spüren Es etablieren sich zunehmend Machtstrukturen die nicht mehr auf Autorität Zentralisierung und exklusivem Zugang zu Ressourcen basieren OLD POWER sondern auf Community Crowd Funding und Dezentralisierung NEW POWER Jeremy Heimans und Henry Timms zeigen an vielen Beispielen von AirBnB bis Uber von der Trump Kampagne bis zum IS was genau diese Machtverschiebung bedeutet und welche Ideen Bewegungen und Unternehmen die vernetzte Welt dominieren werden

Everything Is Predictable Tom Chivers, 2025-07-08 A fascinating witty and perspective shifting Oliver Burkeman New

York Times bestselling author tour of Bayes's theorem and its global impact on modern life from the acclaimed science writer and author of *The Rationalist's Guide to the Galaxy* At its simplest Bayes's theorem describes the probability of an event based on prior knowledge of conditions that might be related to the event But in *Everything Is Predictable* Tom Chivers lays out how it affects every aspect of our lives He explains why highly accurate screening tests can lead to false positives and how a failure to account for it in court has put innocent people in jail A cornerstone of rational thought many argue that Bayes's theorem is a description of almost everything But who was the man who lent his name to this theorem How did an 18th century Presbyterian minister and amateur mathematician uncover a theorem that would affect fields as diverse as medicine law and artificial intelligence Witty lively and best of all extremely nerdy Tim Harford author of *The Undercover Economist* *Everything Is Predictable* is an entertaining and accessible illustration of how a single compelling idea can have far reaching consequences

[How to Manage Your Agent](#) Gervich Chad, 2013-11-26 First published in 2013 Have you written the script for the next box office blockbuster or hit TV show and just need the right agent to sell it Not sure whether to accept an if come deal or a script commitment Debating which manager is the right choice to steer your career Well worry no more *How to Manage Your Agent* is a fun friendly guide to the world of literary representation Enter the inner sanctums of Hollywood's power brokers and learn how they influence what pitches get bought what projects get sold and which writers get hired Find tips from top level executives agents managers producers and writers to help you maximize your own representation and kick your career into overdrive You'll learn How agents prioritize their client list and ways to guarantee you're at the top When to approach new representation and what you need to capture their interest Hollywood's secret buying schedule and how to ensure you're on it The truth about packaging where it helps and when it hurts Which agents are best for you and where to find them Advice on acing your first agent meeting and why so many writers blow it Managers' tricks for creating buzz and when to use them yourself How to fire your agent without killing your career When you don't need representation and how to succeed without it The value of good representation is undeniable especially in a world where agents and managers control which projects and careers live or die *How to Manage Your Agent* puts you on the inside track to get your work the attention it deserves

[Новая власть: Какие силы управляют миром — и как заставить их работать на вас](#) Генри Тиммс, Джереми Хейманс, 2023-05-03 Airbnb Hilton Jeremy Heimans, Henry Timms, 2019-08-02 MeToo 1 200 Uber Lyft Google Reddit TED ACE Actionable Connected Extensible Etsy Airbnb Tinder GetUp TED TED Reddit LinkedIn BlackLivesMatter Craigslist MeToo LinkedIn 21 BlackLivesMatter Craigslist

[Captivating Technology](#) Ruha Benjamin, 2019-06-07 The contributors to *Captivating Technology* examine how carceral technologies such as electronic ankle monitors and predictive policing algorithms are being deployed to classify and coerce specific populations and whether these innovations can be appropriated and reimagined for more liberatory ends
